PRESIDENT \_\_\_\_\_

DATE \_\_\_\_\_

**Moved: Harold Forward**

**Seconded: Chris Van Gelderen**

**“That the Shire of Goomalling 2015/2016 Annual Report, Annual Financial Report and the Independent Auditor’s Report for the year ended 30 June 2016 be received.”**

**CARRIED**

## **OTHER BUSINESS**

**Louise Barker** – Made a general comment, that she recently had 3 visitors staying with her from the Eastern States and they were very impressed with the town and congratulated the staff for presentation of the town. Louise also asked if the Council could consider budgeting for a spruce up of the building that Go Café and Janae Kodel occupy. The question also asked regarding the flooring in the Hairdressers and Louise was advised that the repairs have been approved to be carried out over the next month or so. Louise also commented on the Shire Building gutters, they need cleaning and Louise was advised that the Council is in the process of employing a contractor to clean out the gutters on all Shire buildings and residences on a regular basis.

**Anne Drew** - Enquired if there was anything going to be done to the Fire Station front yard, Anne was advised that the building is owned by DFES and the Council will contact them to see if can be cleaned up.

**Chris Van Gelderen** – Enquired about the progress of the new aged housing to be built in Wollyam Street. Chris was advised that tenders are being called for in the near future and it is hoped that the construction will commence in the second half of this year (2017) and be completed in early 2018.

**Doug French** – Would like to thank Council for fixing Boase Road after the rain event earlier this year and commended outside staff for their work. Doug also enquired about the proposed works to be carried out on Goomalling Meckering Road. Doug was advised that it will be staged as funding is also being sought from the Federal Government by a number of Shires. In 2017/2018 the first stage will be 400 m from the Northam Pithara Road for about 2 km; it will be widened and resealed and then Black Spot funding will be sought to re align the corner with the Northam Pithara and Goomalling Meckering Road. Doug also asked if Council could arrange with Main Roads to clear the vegetation on the side of the road at the corner of Robert Road and Goomalling Merredin Road.

**John Bird** – Wanted noted in the minutes congratulating Clem Kerp CEO on 50 years of employment in the Local Government industry.

## **CLOSURE**

There being no further business the Shire President thanked everyone for attending and declared the meeting closed at 7.48 pm.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**(a) BASIS OF PREPARATION**

The financial report comprises general purpose financial statements which have been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this financial report are presented below and have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

**CRITICAL ACCOUNTING ESTIMATES**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

**THE LOCAL GOVERNMENT REPORTING ENTITY**

All Funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 20 to these financial statements.

**(a) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

**(b) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(c) Trade and Other Receivables**

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

**(d) Inventories**

***General***

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

***Land held for sale***

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on the Council's intentions to release for sale.

**(e) Fixed Assets**

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

***Mandatory requirement to revalue non-current assets***

Effective from 1 July 2012, the Local Government (Financial Management) Regulations were amended and the measurement of non-current assets at Fair Value became mandatory.

During the year ended 30 June 2013, the Shire commenced the process of adopting Fair Value in accordance with the Regulations.

Whilst the amendments initially allowed for a phasing in of fair value in relation to fixed assets over three years, as at 30 June 2015 all non-current assets were carried at Fair Value in accordance with the requirements.

Thereafter, each asset class must be revalued in accordance with the regulatory framework established and the Shire revalues its asset classes in accordance with this mandatory timetable.

Relevant disclosures, in accordance with the requirements of Australian Accounting Standards, have been made in the financial report as necessary.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(e) Fixed Assets (Continued)**

***Land under control***

In accordance with Local Government (Financial Management) Regulation 16(a)(ii), the Shire was required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of State or Regional significance.

Upon initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with the other policies detailed in this Note.

***Initial recognition and measurement between mandatory revaluation dates***

All assets are initially recognised at cost and subsequently revalued in accordance with the mandatory measurement framework detailed above.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework detailed above, are carried at cost less accumulated depreciation as management believes this approximates fair value. They will be subject to subsequent revaluation at the next anniversary date in accordance with the mandatory measurement framework detailed above.

***Revaluation***

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

***Land under roads***

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Shire.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(e) Fixed Assets (Continued)**

***Depreciation***

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

When an item of property, plant and equipment is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- a) Restated proportionately with the change in the gross carrying amount of the asset so that the carrying amount of the asset after revaluation equals its revalued amount; or
- b) Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

Major depreciation periods used for each class of depreciable asset are:

Buildings	0 to 50 years
Furniture and equipment	0 to 10 years
Plant and equipment	0 to 15 years
Sealed roads and streets	
formation	Not Depreciated
pavement	60 years
seal	
- bituminous seals	20 years
- asphalt surfaces	30 years
Gravel roads	
formation	Not Depreciated
pavement	60 years
gravel sheet	15 years
Formed roads (unsealed)	
formation	Not Depreciated
pavement	60 years
Footpaths - slab	60 years

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(f) Fair Value of Assets and Liabilities**

When performing a revaluation, the Shire uses a mix of both independent and management valuations using the following as a guide:

Fair Value is the price that the Shire would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

***Fair value hierarchy***

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

**Level 1**

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

**Level 2**

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

**Level 3**

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

***Valuation techniques***

The Shire selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Shire are consistent with one or more of the following valuation approaches:

**Market approach**

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(f) Fair Value of Assets and Liabilities (Continued)**

**Income approach**

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

**Cost approach**

Valuation techniques that reflect the current replacement cost of an asset at its current service capacity.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Shire gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

As detailed above, the mandatory measurement framework imposed by the Local Government (Financial Management) Regulations requires, as a minimum, all assets carried at a revalued amount to be revalued in accordance with the regulatory framework.

**(g) Financial Instruments**

***Initial recognition and measurement***

Financial assets and financial liabilities are recognised when the Shire becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Shire commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

***Classification and subsequent measurement***

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method, or at cost.

Amortised cost is calculated as:

- (a) the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments and any reduction for impairment; and
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(g) Financial Instruments (Continued)**

***Classification and subsequent measurement (continued)***

*(i) Financial assets at fair value through profit and loss*

Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short-term profit taking. Such assets are subsequently measured at fair value with changes in carrying amount being included in profit or loss. Assets in this category are classified as current assets.

*(ii) Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

*(iii) Held-to-maturity investments*

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments that the Shire has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Held-to-maturity investments are included in current assets, where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current.

*(iv) Available-for-sale financial assets*

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with changes in such fair value (i.e. gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Available-for-sale financial assets are included in current assets, where they are expected to be sold within 12 months after the end of the reporting period. All other available-for-sale financial assets are classified as non-current.

*(v) Financial liabilities*

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(g) Financial Instruments (Continued)**

***Impairment***

A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events (a "loss event") having occurred, which will have an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial assets, a significant or prolonged decline in the market value of the instrument is considered a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or a group of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

For financial assets carried at amortised cost (including loans and receivables), a separate allowance account is used to reduce the carrying amount of financial assets impaired by credit losses. After having taken all possible measures of recovery, if management establishes that the carrying amount cannot be recovered by any means, at that point the written-off amounts are charged to the allowance account or the carrying amount of impaired financial assets is reduced directly if no impairment amount was previously recognised in the allowance account.

***Derecognition***

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the Shire no longer has any significant continual involvement in the risks and benefits associated with the asset.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

**(h) Impairment of Assets**

In accordance with Australian Accounting Standards the Shire's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

**(i) Trade and Other Payables**

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(j) Employee Benefits**

**Short-term employee benefits**

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

**Other long-term employee benefits**

Provision is made for employees' long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

**(k) Borrowing Costs**

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

**(l) Provisions**

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**(m) Leases**

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Shire, are classified as finance leases.

Finance leases are capitalised recording an asset and a liability at the lower amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(n) Investment in Associates**

An associate is an entity over which the Shire has significant influence. Significant influence is the power to participate in the financial operating policy decisions of that entity but is not control or joint control of those policies. Investments in associates are accounted for in the financial statements by applying the equity method of accounting, whereby the investment is initially recognised at cost and adjusted thereafter for the post-acquisition change in the Shire's share of net assets of the associate. In addition, the Shire's share of the profit or loss of the associate is included in the Shire's profit or loss.

The carrying amount of the investment includes, where applicable, goodwill relating to the associate. Any discount on acquisition, whereby the Shire's share of the net fair value of the associate exceeds the cost of investment, is recognised in profit or loss in the period in which the investment is acquired.

Profits and losses resulting from transactions between the Shire and the associate are eliminated to the extent of the Shire's interest in the associate.

When the Shire's share of losses in an associate equals or exceeds its interest in the associate, the Shire discontinues recognising its share of further losses unless it has incurred legal or constructive obligations or made payments on behalf of the associate. When the associate subsequently makes profits, the Shire will resume recognising its share of those profits once its share of the profits equals the share of the losses not recognised.

**(o) Interests in Joint Arrangements**

Joint arrangements represent the contractual sharing of control between parties in a business venture where unanimous decisions about relevant activities are required.

Separate joint venture entities providing joint venturers with an interest to net assets are classified as a joint venture and accounted for using the equity method. Refer to note 1(n) for a description of the equity method of accounting.

Joint venture operations represent arrangements whereby joint operators maintain direct interests in each asset and exposure to each liability of the arrangement. The Shire's interests in the assets, liabilities, revenue and expenses of joint operations are included in the respective line items of the financial statements. Information about the joint ventures is set out in Note

**(p) Rates, Grants, Donations and Other Contributions**

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions.

Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over a particular period, and those conditions were undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in Note 2(c). That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operations for the current reporting period.

**(q) Superannuation**

The Shire contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Shire contributes are defined contribution plans.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(r) Current and Non-Current Classification**

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the Shire's intentions to release for sale.

**(s) Rounding Off Figures**

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar.

**(t) Comparative Figures**

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the Shire applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statement, an additional (third) statement of financial position as at the beginning of the preceding period in addition to the minimum comparative financial statements is presented.

**(u) Budget Comparative Figures**

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(v) New Accounting Standards and Interpretations for Application in Future Periods**

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the Shire.

Management's assessment of the new and amended pronouncements that are relevant to the Shire, applicable to future reporting periods and which have not yet been adopted are set out as follows:

	Title	Issued / Compiled	Applicable <sup>(1)</sup>	Impact
(i)	AASB 9 Financial Instruments (incorporating AASB 2014-7 and AASB 2014-8)	December 2014	1 January 2018	Nil – The objective of this Standard is to improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139. Given the nature of the financial assets of the Shire, it is not anticipated the Standard will have any material effect.
(ii)	AASB 15 Revenue from Contracts with Customers	December 2014	1 January 2019	This Standard establishes principles for entities to apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer.  The effect of this Standard will depend upon the nature of future transactions the Shire has with those third parties it has dealings with. It may or may not be significant.
(iii)	AASB 16 Leases	February 2016	1 January 2019	Under AASB 16 there is no longer a distinction between finance and operating leases. Lessees will now bring to account a right-to-use asset and lease liability onto their statement of financial position for all leases. Effectively this means the vast majority of operating leases as defined by the current AASB 117 Leases which currently do not impact the statement of financial position will be required to be capitalised on the statement of financial position once AASB 16 is adopted.  Currently, operating lease payments are expensed as incurred. This will cease and will be replaced by both depreciation and interest charges. Based on the current number of operating leases held by the Shire, the impact is not expected to be significant.

Notes:

<sup>(1)</sup> Applicable to reporting periods commencing on or after the given date.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(v) New Accounting Standards and Interpretations for Application in Future Periods (Continued)**

Title	Issued / Compiled	Applicable <sup>(1)</sup>	Impact
(iv) AASB 1058 Income of Not-for-Profit Entities (incorporating AASB 2016-7 and AASB 2016-8)	December 2016	1 January 2019	<p>These standards are likely to have a significant impact on the income recognition for NFP's. Key areas for consideration are:</p> <ul style="list-style-type: none"> <li>- Assets received below fair value;</li> <li>- Transfers received to acquire or construct non-financial assets;</li> <li>- Grants received;</li> <li>- Prepaid rates;</li> <li>- Leases entered into at below market rates; and</li> <li>- Volunteer services.</li> </ul> <p>Whilst it is not possible to quantify the financial impact (or if it is material) of these key areas until the details of future transactions are known, they will all have application to the Shire's operations.</p>

Notes:

<sup>(1)</sup> Applicable to reporting periods commencing on or after the given date.

**(w) Adoption of New and Revised Accounting Standards**

During the current year, the Shire adopted all of the new and revised Australian Accounting Standards and Interpretations which were compiled, became mandatory and which were applicable to its operations.

Whilst many reflected consequential changes associate with the amendment of existing standards, the only new standard with material application is as follows:

- (i) AASB 2015-6 Amendments to Australian Accounting Standards - Extending Related Party Disclosures to Not-for-Profit Public Sector Entities

[AASB 10, 124 & 1049]

The objective of this Standard was to extend the scope of AASB 124 *Related Party Disclosures* to include not-for-profit sector entities.

The Standard has had a significant disclosure impact on the financial report of the Shire as both Elected Members and Senior Management are deemed to be Key Management Personnel and resultant disclosures in accordance to AASB 124 have been necessary.

**(b) Statement of Objective**

The Shire of Goomalling is dedicated to providing high quality services to the community through the various service orientated programs which it has established.

**COMMUNITY VISION**

Objectives and strategies have been presented under four main categories: Social, Economic, Environmental and Civic Leadership. Objectives are set for the short term (up to 2 years), medium (3 to 6 years) and long term (7 years or more). Some strategies are shown as ongoing in that they cover all terms.

The Strategic Community Plan defines the key objectives of the Shire as:

Economic: Provide an effective and efficient transportation network; facilitate the development of local and regional tourism; actively support the development of local and new business.

Social: Create an environment that strengthens a 'sense of community'; create an environment that provides for a caring and healthy community; provide active and passive recreation facilities and services; provide services and processes to enhance public safety.

Civic Leadership: Provide accountable and transparent leadership; maintain and strengthen the Shire's capability and capacity.

Council operations as disclosed in these financial statements encompass the following service orientated activities/programs.

**GOVERNANCE**

**Objective:**

To provide a decision making process for the efficient allocation of scarce resources.

**Activities:**

Include the activities of members of council and the administrative support available to the council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific council services.

**GENERAL PURPOSE FUNDING**

**Objective:**

To collect revenue to allow for the provision of services.

**Activities:**

Rates, general purpose government grants and interest revenue.

**LAW, ORDER, PUBLIC SAFETY**

**Objective:**

To provide services to help ensure a safer and environmentally conscious community.

**Activities:**

Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.

**HEALTH**

**Objective:**

To provide an operational framework for environmental and community health.

**Activities:**

Inspection of food outlets and their control, provision of meat inspection services, noise control and waste disposal compliance.

**EDUCATION AND WELFARE**

**Objective:**

To provide services to disadvantaged persons, the elderly, children and youth.

**Activities:**

Maintenance of child minding centre, playgroup centre, senior citizen centre and aged care centre. Provision and maintenance of home and community care programs and youth services.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**2. REVENUE AND EXPENSES (Continued)**

**(b) Statement of Objective (Continued)**

**HOUSING**

**Objective:**

To provide and maintain elderly residents housing.

**Activities:**

Provision and maintenance of elderly residents housing.

**COMMUNITY AMENITIES**

**Objective:**

To provide services required by the community.

**Activities:**

Rubbish collection services, operation of rubbish disposal sites, litter control, construction and maintenance of urban storm water drains, protection of the environment and administration of town planning schemes, cemetery and public conveniences.

**RECREATION AND CULTURE**

**Objective:**

To establish and effectively manage infrastructure and resourced which will help the social well being of the community.

**Activities:**

Maintenance of public halls, civic centres, aquatic centres, beaches, recreation centres and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of library, museum and other cultural facilities.

**TRANSPORT**

**Objective:**

To provide safe, effective and efficient transport services to the community.

**Activities:**

Construction and maintenance of roads, streets, footpaths, depots, cycleways, parking facilities and traffic control. Cleaning of streets and maintenance of street trees, street lighting etc.

**ECONOMIC SERVICES**

**Objective:**

To help promote the Shire and its economic wellbeing.

**Activities:**

Tourism and area promotion including the maintenance and operation of a caravan park. Provision of rural services including weed control, vermin control and standpipes. Building control.

**OTHER PROPERTY AND SERVICES**

**Objective:**

To monitor and control council's overhead operating accounts.

**Activities:**

Private works operation, plant repairs and operation costs and engineering operation costs.

**\*Investment in WALGA Local Government House Trust**

This note discloses the equity the City/Town has in the Local Government House Trust as a consequence of a contribution towards the cost of purchasing Local Government House.

The total contribution by all Councils towards the cost of the WALGA Building was \$582,000. There are 620 units in the Local Government House Unit Trust, 3 which are held by the Shire of Goomalling.

The Shire has decreased its share in the Local Government House Trust based on the trust's 30 June 2016 audited financial statements

The fair value of property, plant and equipment is determined at least every three years in accordance with the regulatory framework. Additions since the date of valuation are shown as cost, given they were acquired at arms length and any accumulated depreciation reflects the usage of service potential, it is considered the recorded written down value approximates fair value. At the end of each intervening period the valuation is reviewed and where appropriate the fair value is updated to reflect current market conditions. This process is considered to be in accordance with Local Government (Financial Management) Regulation 17A (2) which requires property, plant and equipment to be shown at fair value.

<b>Land and buildings</b>					
Land - freehold land	2	Market approach using recent observable market data for similar items ( Net revaluation method)	Independent Registered Valuer and Management Valuation	June 2017	Price per hectare/market borrowing rate
Buildings - non-specialised	3	Market approach using recent observable market data for similar items ( Net revaluation method)	Independent Registered Valuer and Management Valuation	June 2017	Improvements to buildings using construction costs and current condition ( Level 2), residual values and remaining useful life assessments ( Level 3 ) inputs.
<b>Furniture and equipment</b>	3	Cost approach using depreciated replacement cost ( Net revaluation method)	Management Valuation	June 2015	Construction/Purchase costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3 ) inputs.
<b>Plant &amp; Equipment</b>	3	Cost approach using depreciated replacement cost ( Net revaluation method)	Management Valuation	June 2016	Construction/Purchase costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3 ) inputs.

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used by the local government to determine the fair value of property, plant and equipment using either level 2 or level 3 inputs.

	1,652,866	1,685,500
	<u>40,548,062</u>	<u>39,654,562</u>

The fair value of infrastructure is determined at least every three years in accordance with the regulatory framework. Additions since the date of valuation are shown as cost. Given they were acquired at arms length and any accumulated depreciation reflects the usage of service potential, it is considered the recorded written down value approximates fair value. At the end of each intervening period the valuation is reviewed and, where appropriate, the fair value is updated to reflect current market conditions. This process is considered to be in accordance with Local Government (Financial Management) Regulation 17A(2) which requires infrastructure to be shown at fair value.

**FOR THE YEAR ENDED 30TH JUNE 2017**

**12. RESERVES - CASH BACKED**

In accordance with council resolutions in relation to each reserve account, the purpose for which the reserves are set aside and their anticipated date of use are as follows:

<b>Name of Reserve</b>	<b>Anticipated date of use</b>	<b>Purpose of the reserve</b>
Long Service Leave Reserve	Ongoing	- To fund long service leave requirements.
Mortlock Lodge Reserve	Ongoing	- To fund maintenance and improvements to the Mortlock Retirement Units.
Plant Replacement Reserve	Ongoing	- To be used for the future replacement of plant.
Staff Housing Reserve	Ongoing	- To be used for the maintenance, upgrading and construction of new housing for Council employees or public rental housing.
Aged Care Reserve	Ongoing	- To be utilised to provide for the needs of the aged.
Vehicle Reserve	Ongoing	- To be used for the purchase of motor vehicles and utilities if at a future date Council ceases to lease the same.
Sewerage Reserve	Ongoing	- To be used to maintain and upgrade the sewerage scheme in the Goomalling townsite.
Community Bus Reserve	Ongoing	- To be used to fund the purchase of a new Community Bus.
S&R CoOrd AL LSL Reserve	Ongoing	- To be used to fund the S&R Coordinators annual and long service leave.
LCDC Reserve	Ongoing	- To be used to fund Landcare activities.
S/Pool Revitalisation Reserve	Ongoing	- To be used to fund revitalisation of the swimming pool.
Emergency Fund Reserve	Ongoing	- To be used to fund any catastrophic emergency event within the Shire of Goomalling.

Other property and services	5,241,589	134,763
Unallocated	0	895,796
	<u>69,797,899</u>	<u>69,812,355</u>

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

	2017	2016	2015
<b>19. FINANCIAL RATIOS</b>			
Current ratio	0.89	0.69	0.17
Asset sustainability ratio	1.02	1.17	1.36
Debt service cover ratio	1.74	0.14	2.50
Operating surplus ratio	(0.01)	(0.50)	(0.07)
Own source revenue coverage ratio	0.74	0.58	0.59

The above ratios are calculated as follows:

Current ratio	$\frac{\text{current assets minus restricted assets}}{\text{current liabilities minus liabilities associated with restricted assets}}$
Asset sustainability ratio	$\frac{\text{capital renewal and replacement expenditure}}{\text{Depreciation expenses}}$
Debt service cover ratio	$\frac{\text{annual operating surplus before interest and depreciation}}{\text{principal and interest}}$
Operating surplus ratio	$\frac{\text{operating revenue minus operating expenses}}{\text{own source operating revenue}}$
Own source revenue coverage ratio	$\frac{\text{own source operating revenue}}{\text{operating expenses}}$

**Notes:**

Information relating to the **asset consumption ratio** and the **asset renewal funding ratio** can be found at Supplementary Ratio Information on Page 62 of this document.

Three of the 2017 ratios disclosed above were distorted by the early receipt of half of the allocation of the 2017-18 Financial Assistance Grant in June 2017.

The early payment of the grant increased operating revenue in 2017 by \$381,535.

Three of the 2016 and 2015 ratios disclosed above were distorted by the early receipt of half of the allocation of the 2015-16 Financial Assistance Grant on 30 June 2015.

The early payment of the grant increased operating revenue in 2015 and decreased operating revenue in 2016 by \$367,735.

If recognised in the year to which the allocation related, the calculations in the 2017, 2016 and 2015 columns above would be as follows:

	2017	2016	2015
Current ratio	0.44	0.89	(0.13)
Debt service cover ratio	1.37	0.82	1.65
Operating surplus ratio	-0.10	(0.40)	(0.18)

The total of remuneration paid to KMP of the Shire during the year are as follows:	
Short-term employee benefits	380,809
Other long-term benefits	2,214
	383,023

**Short-term employee benefits**

These amounts include all salary, paid leave, fringe benefits and cash bonuses awarded to KMP except for details in respect to fees and benefits paid to elected members which may be found at Note 32.

**Other long-term benefits**

These amounts represent long service benefits accruing during the year.

**Related Parties**

**The Shire's main related parties are as follows:**

*i. Key management personnel*

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any elected member, are considered key management personnel.

*ii. Entities subject to significant influence by the Shire*

An entity that has the power to participate in the financial and operating policy decisions of an entity, but does not have control over those policies, is an entity which holds significant influence. Significant influence may be gained by share ownership, statute or agreement.

**Transactions with related parties**

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

The following transactions occurred with related parties:

	<b>2017</b>
	<b>\$</b>

**FOR THE YEAR ENDED 30TH JUNE 2017**

**34. MAJOR LAND TRANSACTIONS**

**Salmon Gum Way and Grange Street Subdivisions**

(a) Details

The Shire of Goomalling has undertaken a rural residential subdivision in Salmon Gum Way and Grange Street, Goomalling. The Shire will conduct either auction or tender process for the sale of lot for Salmon Gum Way. In relation to lots in Grange Street, the sale will be by tender process at market valuations. The proceeds from the sale of the two rural subdivisions will be applied towards the repayment of loans raised to finance the development and thereafter any surplus funds remaining will be held in the Municipal Fund Account. A business plan was prepared for the two rural residential subdivisions in accordance with section 3.59 of the Local Government Act 1995.

**34. MAJOR LAND TRANSACTIONS ( Continued)**

The Council has 13 blocks for sale. Based on the development cost to date plus interest on borrowings, the unit cost of remaining blocks are on average \$43,615 each.

The cause for the above impairment loss was the effects of the global financial crisis which commenced in 2007 and the recent fall in land and housing prices throughout the State. Prior to the initial commencement of the GFC, Council had buyers for all eight lots in the Grange Street subdivision with a waiting list of a further two buyers. However, the sale of all lots subsequently fell through and eight of the ten interested buyers cancelled their purchases. The lots are now impaired as the recoverable amount is less than the development expenses recorded.

**Salmon Gum Way and Grange Street Subdivisions**

**35. TRADING UNDERTAKINGS AND MAJOR TRADING UNDERTAKINGS**

The Shire did not participate in any trading undertakings or major trading undertakings during the 2016/2017 financial year.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**36. FINANCIAL RISK MANAGEMENT**

The Shire's activities expose it to a variety of financial risks including price risk, credit risk, liquidity risk and interest rate risk. The Shire's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Shire.

The Shire does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council.

*The Shire held the following financial instruments at balance date:*

	Carrying Value		Fair Value	
	2017	2016	2017	2016
	\$	\$	\$	\$
<b>Financial assets</b>				
Cash and cash equivalents	1,596,478	1,631,363	1,596,478	1,631,363
Receivables	719,497	675,618	719,497	675,618
	<u>2,362,403</u>	<u>2,357,860</u>	<u>2,362,403</u>	<u>2,357,860</u>
<b>Financial liabilities</b>				
Payables	266,449	444,417	266,449	444,417
Borrowings	4,027,106	4,383,120	4,985,764	4,383,120
	<u>4,293,555</u>	<u>4,827,537</u>	<u>5,252,213</u>	<u>4,827,537</u>

Fair value is determined as follows:

- Cash and cash equivalents, receivables, payables - estimated to the carrying value which approximates net market value.
- Borrowings, held to maturity investments, estimated future cash flows discounted by the current market interest rates applicable to assets and liabilities with similar risk profiles.
- Financial assets at fair value through profit and loss, available for sale financial assets - based on quoted market prices at the reporting date or independent valuation.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**36. FINANCIAL RISK MANAGEMENT (Continued)**

**(a) Cash and Cash Equivalents**

**Financial assets at fair value through profit and loss**

**Available-for-sale financial assets**

**Held-to-maturity investments**

The Shire's objective is to maximise its return on cash and investments whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash and investments portfolio with the assistance of independent advisers (where applicable). Council has an investment policy and the policy is subject to review by Council. An Investment Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The major risk associated with investments is price risk - the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments of their issuers or factors affecting similar instruments traded in a market.

Cash and investments are also subject to interest rate risk - the risk that movements in interest rates could affect returns.

Another risk associated with cash is credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to the Shire.

The Shire manages these risks by diversifying its portfolio and only investing in investments authorised by *Local Government (Financial Management) Regulation 19C*. Council also seeks advice from independent advisers (where considered necessary) before placing any cash and investments.

	<b>2017</b>	<b>2016</b>
	<b>\$</b>	<b>\$</b>
Impact of a 1% <sup>(1)</sup> movement in interest rates on cash		
- Equity	15,965	16,314
- Statement of Comprehensive Income	15,965	16,314

*Notes:*

<sup>(1)</sup> Sensitivity percentages based on management's expectation of future possible market movements.

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**36. FINANCIAL RISK MANAGEMENT (Continued)**

**(b) Receivables**

The Shire's major receivables comprise rates and annual charges and user charges and fees. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. The Shire manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of the Shire to recover these debts as a secured charge over the land – that is, the land can be sold to recover the debt. The Shire is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

The Shire makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Shire's credit risk at balance date was:

	<b>2017</b>	<b>2016</b>
Percentage of rates and annual charges		
- Current	0%	0%
- Overdue	100%	100%
Percentage of other receivables		
- Current	26%	75%
- Overdue	74%	25%

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**36. FINANCIAL RISK MANAGEMENT (Continued)**

**(c) Payables**

**Borrowings**

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. The Shire manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required.

The contractual undiscounted cash flows of the Shire's Payables and Borrowings are set out in the Liquidity Sensitivity Table below:

	<b>Due within 1 year \$</b>	<b>Due between 1 &amp; 5 years \$</b>	<b>Due after 5 years \$</b>	<b>Total contractual cash flows \$</b>	<b>Carrying values \$</b>
<b><u>2017</u></b>					
Payables	266,449	0	0	266,449	266,449
Borrowings	<u>553,606</u>	<u>2,904,990</u>	<u>2,470,640</u>	<u>5,929,236</u>	<u>4,027,106</u>
	<u>820,055</u>	<u>2,904,990</u>	<u>2,470,640</u>	<u>6,195,685</u>	<u>4,293,555</u>

	<u>949,828</u>	<u>1,961,381</u>	<u>2,797,026</u>	<u>5,708,235</u>	<u>4,996,410</u>

**SHIRE OF GOOMALLING**  
**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT**  
**FOR THE YEAR ENDED 30TH JUNE 2017**

**36. FINANCIAL RISK MANAGEMENT (Continued)**

**(c) Payables**

**Borrowings (continued)**

Borrowings are also subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs. The Shire manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation.

The following tables set out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk:

	<u>&lt;1 year</u>	<u>&gt;1&lt;2 years</u>	<u>&gt;2&lt;3 years</u>	<u>&gt;3&lt;4 years</u>	<u>&gt;4&lt;5 years</u>	<u>&gt;5 years</u>	<u>Total</u>	<b>Weighted Average Effective Interest Rate</b>

## INDEPENDENT AUDIT REPORT TO THE ELECTORS OF THE SHIRE OF GOOMALLING

### Opinion

We have audited the financial report of Shire of Goomalling for the year ended 30 June 2017. The financial report comprises the Statement by Chief Executive Officer, Statements of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Statement of Cash Flows and Rate Setting Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial report of the Shire of Goomalling is in accordance with the requirements of the *Local Government Act 1995*, including:

- a) giving a true and fair view of the Shire of Goomalling's financial position as at 30 June 2017 and of its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards to the extent described in Note 1.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Shire of Goomalling in accordance with auditor independence requirements of the *Local Government Act 1995* and the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Matters

During the course of our audit we noted the following issue regarding the *Local Government Act 1995* and the *Local Government (Financial Management) Regulations 1996*:

- a) The annual return submitted by a Councillor had the incorrect period of 1 July 2016 to 30 June 2017 recorded. The letter acknowledging the receipt of the annual return was issued and the return filed in the Register of Financial Interests, the error not being detected. This contravened the requirements of section 5.88 (2)(b) *Local Government Act 1995*.

## Statutory Compliance

In accordance with the Local Government (Audit) Regulations 1996, we also report that:

- a) Except for the issue identified in the above 'Other Matters' paragraph we did not during the course of the audit, become aware of any other instances where the Council did not comply with the requirements of the Local Government Act 1995 and the Local Government (Financial Management) Regulations 1996.
- b) There were no material or significant adverse trends in financial position or financial management practices revealed during the course of our audit.
- c) We have obtained all necessary information and explanations in relation to our audit.
- d) Our audit procedures were all satisfactorily completed.
- e) In relation to the Supplementary Ratio Information presented at page 62 of this report, we have reviewed the calculations as presented and in our opinion these are:
  - i. Based on verifiable information; and
  - ii. Reasonable assumptions.

## Information Other than the Financial Report and Auditor's Report Thereon

Those charged with governance are responsible for the other information. The other information comprises the information included in the Annual Report for the year ended 30 June 2017, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

## Responsibilities of Council, and Those Charged with Governance for the Financial Report

The Council is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Local Government Act 1995 and Regulations*, and is appropriate to meet the needs of the electors. Council's responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, Council is responsible for assessing the Shire of Goomalling's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Council either intend to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Shire of Goomalling's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Council.
- Conclude on the appropriateness of the Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Shire of Goomalling's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Shire of Goomalling's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Dated the 7<sup>th</sup> day of March 2018 in Perth, Western Australia

**BILLY-JOE THOMAS**  
Director

**SHIRE OF GOOMALLING  
SUPPLEMENTARY RATIO INFORMATION  
FOR THE YEAR ENDED 30TH JUNE 2017**

**RATIO INFORMATION**

The following information relates to those ratios which only require attestation they have been checked and are supported by verifiable information. It does not form part of the audited financial report.

	<b>2017</b>	<b>2016</b>	<b>2015</b>
Asset consumption ratio	0.97	0.99	0.73
Asset renewal funding ratio	0.98	1.01	2.05

The above ratios are calculated as follows:

Asset consumption ratio	$\frac{\text{depreciated replacement costs of assets}}{\text{current replacement cost of depreciable assets}}$
Asset renewal funding ratio	$\frac{\text{NPV of planning capital renewal over 10 years}}{\text{NPV of required capital expenditure over 10 years}}$

## *Annual Presidential Report*

It is with pleasure that I present Council's financial report and other activities of the Shire of Goomalling for the financial year ending 30 June 2017.

Roads – Konnongorring West Road is progressing slower than intended due to reduced funding. Extensive work was carried out on the Dowerin Konnongorring Road due to a severe storm. The Goomalling-Meckering Road upgrade is anticipated to commence later in the year. This project is expected to take at least 10 years to complete.

Council Staff – Once again thanks to our Council Office Staff for their continued dedication to all duties. There have been several staff changes in the past year Megan Butcher and Emily Raftis leaving, we wish them well in their future employment. We welcome Christine Schorer and hope she enjoys her employment with the Goomalling Shire.

Outside Staff – To all outside staff thank you for your contribution this year. I realise that you do the best you can with a limited budget to make this Town a great place to live in. We welcome Grahame Houston and hope you enjoy your time with the Goomalling Shire.

Projects – Building has commenced on 4 3x2 Retirement Homes which are to be completed by the end of the next financial year. A new one mega litre dam had been completed and the catchment of water is a real bonus for our sporting grounds. In the next Financial year, we plan to reticulate the football oval and hockey oval.

Congratulations to the breakfast club at Goomalling Primary School on receiving Young People making a difference in Communities Award.

Wheatbelt Work Camp has again given excellent support to all Council and Community projects.

To all involved in the Community Garden and all our Voluntary Organisations and Business Community for making this a great place to live.

Thankyou Clem, Chief Executive Officer and all Councillors for their time and commitment to the Shire. I really appreciate your efforts and look forward to the future.

**Barry Haywood**  
Shire President

21 March 2018

**GOOMALLING**  
CHIEF EXECUTIVE OFFICER'S REPORT  
ANNUAL GENERAL MEETING OF ELECTORS 2017, MONDAY 16 APRIL 2018

---

State and Federal Governments do not make it any easier for Local Governments to service its community with further reduced funding allocations and cost shifting practices which were once the responsibility of both State and Federal Governments, are now the responsibility of Local Governments such as childcare, medical, senior citizens, aged care and many other services. These are provided by your Council to ensure that members of the public do not go without and at least enjoy similar services that city electors and ratepayers receive from their metropolitan local governments.

On top of these services, ratepayers and electors enjoy the many recreational and sport infrastructures that exist throughout the Shire but unfortunately rising costs are continuing to make it difficult to provide these many sport and recreation facilities. This will continue to be Council's major objective to ensure their retention but it must be remembered that both State and Federal Governments are taking the easier way out by not treating country and city people equally particularly when it is known that country people are first to suffer.

Notwithstanding the above, new innovations continue to be established by this Council with the four (4) newly constructed 3-bedroom x 1.5-bathroom residences (for seniors aged 55+) in Wollyam Street Goomalling. Koomal Village (as it has recently been named by Council) will be one of the very few affordable retirement villages located not only in the Wheatbelt but also in metropolitan and regional centres. The village will be managed and operated by Village Solutions Australia and the first Information Session will be conducted at the Goomalling Community Centre on Friday 27<sup>th</sup> April 2018 commencing at 10.30am. For interested persons attendance is a must and further details can be obtained from Ms Sigrid Adams of Village Solutions via phone 9355 3400 or email [admin@villagesolutions.com.au](mailto:admin@villagesolutions.com.au)

Again it is always very pleasing to report that Council continues to fulfil its roles to cooperate, liaise, assist and work with all clubs, groups, associations and organisations to ensure their viability and existence are retained for the betterment and benefit of the district.

My appreciation is extended to all staff members for their commitment and passion to serve their community which without doubt, makes Goomalling what it is today a "can do" Council, which is recognised and respected by our stakeholders and peers in both the local government and business sectors.

## Strategic Direction

---

### **Mission Statement:**

Providing good government in developing economic prosperities, social advancement and environmental enhancements.

### **OBJECTIVES AND STRATEGIES**

#### **Leadership**

We will continue to advocate on behalf of the community to position our Shire with key stakeholders that will support our success and growth.

#### **Accountable and Sustainable**

We will continue to be transparent, display good governance and manage our customer service commitments within our resources.

#### **Advocating Improvement**

We are determined to be solution focused, proactively seeking innovative partnerships, working collaboratively with stakeholders and industry to enable growth and ensure that our Shire is sustainable.

The Shire's goal in managing infrastructure assets to meet the required level of service in the most cost effective manner for present and future consumers. The key elements of infrastructure asset management are:

- Taking a cycle approach,
- Developing cost-effective management strategies for the long term,
- Providing defined levels of service and monitoring performance,
- Understanding and meeting the demands of growth through demand management and infrastructure investment,
- Managing risks associated with asset failures,
- Sustainable use of physical resources,
- Continuous improvement in asset management practices.

### **Our Goals**

#### **Social**

Create an environment that strengthens "a sense of Community"  
Create an environment that provides for a caring and health Community  
Provide active and passive recreation facilities and services  
Provide services and process to enhance public safety

#### **Economic**

Provide Effective and efficient transportation network  
Facilitate the development of local and regional tourism  
Actively support and develop local and new business

**Natural Environment**

Enhance the health and integrity of the natural environment

**Built Environment**

Manage current and future assets and infrastructure in a sustainable manner

**Civic Leadership**

Provide accountable and transparent leadership

Maintain and strengthen the Shires' capability and capacity

---

## Our People

---

Elections were held in October 2015.

---

## Record Keeping

---

The Shire of Goomalling has prepared a Record Keeping Plan is required by the State Records Act 2000. The plan has been approved by the State Records Commission and the Shire of Goomalling is committed to ensuring record keeping practices comply with legislation.

Performance Indicators and Disaster Management Plans are currently being developed and must be in place by 9 March 2007. Information sessions for staff will be undertaken to ensure that they are aware of the requirements of the State Records Act 2000 and these will be ongoing in order to evaluate the record keeping practices of the council. In addition, Induction programs have been established to address employee's roles and responsibilities to enable compliance with the Record Keeping Plan.

Our current Record Keeping Plan was reviewed in 2012 and the next review of the plan will commence in 2017.

---

## Freedom of Information

---

The Shire of Goomalling has a Freedom of Information Statement prepared in accordance with the Freedom of Information Act 1992. This Statement was review in August 2015 and is available on our Website. It outlines the Shire's functions, the kind of documents held and how the documents can be accessed.

Nil Freedom of Information Applications where received during this report period.

---

## Disability Access and Inclusion Plan

---

Council continues to make progress on the Disability Access and Inclusion Plan (DAIP) which was adopted by Council on 16 October 2013. A series of outcomes were included in the DAIP for the delivery and monitoring of initiatives and strategies included in the plan.

A full review of Council's Disability Access Plan has been undertake with community consultation in 2013 and a revised plan was submitted for approval to the Disability Services Commission and approved.

The 2013-2018 Disability Access and Inclusion Plan is available for perusal on Council's website.

## INDEPENDENT AUDIT REPORT TO THE ELECTORS OF THE SHIRE OF GOOMALLING

### Opinion

We have audited the financial report of Shire of Goomalling for the year ended 30 June 2017. The financial report comprises the Statement by Chief Executive Officer, Statements of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Statement of Cash Flows and Rate Setting Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial report of the Shire of Goomalling is in accordance with the requirements of the *Local Government Act 1995*, including:

- a) giving a true and fair view of the Shire of Goomalling's financial position as at 30 June 2017 and of its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards to the extent described in Note 1.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Shire of Goomalling in accordance with auditor independence requirements of the *Local Government Act 1995* and the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Matters

During the course of our audit we noted the following issue regarding the *Local Government Act 1995* and the *Local Government (Financial Management) Regulations 1996*:

- a) The annual return submitted by a Councillor had the incorrect period of 1 July 2016 to 30 June 2017 recorded. The letter acknowledging the receipt of the annual return was issued and the return filed in the Register of Financial Interests, the error not being detected. This contravened the requirements of section 5.88 (2)(b) *Local Government Act 1995*.

## Statutory Compliance

In accordance with the Local Government (Audit) Regulations 1996, we also report that:

- a) Except for the issue identified in the above 'Other Matters' paragraph we did not during the course of the audit, become aware of any other instances where the Council did not comply with the requirements of the Local Government Act 1995 and the Local Government (Financial Management) Regulations 1996.
- b) There were no material or significant adverse trends in financial position or financial management practices revealed during the course of our audit.
- c) We have obtained all necessary information and explanations in relation to our audit.
- d) Our audit procedures were all satisfactorily completed.
- e) In relation to the Supplementary Ratio Information presented at page 62 of this report, we have reviewed the calculations as presented and in our opinion these are:
  - i. Based on verifiable information; and
  - ii. Reasonable assumptions.

## Information Other than the Financial Report and Auditor's Report Thereon

Those charged with governance are responsible for the other information. The other information comprises the information included in the Annual Report for the year ended 30 June 2017, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

## Responsibilities of Council, and Those Charged with Governance for the Financial Report

The Council is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Local Government Act 1995 and Regulations*, and is appropriate to meet the needs of the electors. Council's responsibility also includes such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, Council is responsible for assessing the Shire of Goomalling's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Council either intend to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Shire of Goomalling's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Council.
- Conclude on the appropriateness of the Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Shire of Goomalling's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Shire of Goomalling's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Dated the 7<sup>th</sup> day of March 2018 in Perth, Western Australia
