BE INFORMED

To ensure you receive notifications from Council be sure to register your mobile phone number with Shire Staff and you will be added to the Notification group for things like Harvest Bans, Road Closures, Fire Bans, DrumMuster, Administration Office closures and other urgent matters.

Be sure to also like our FaceBook page and check our website regularly for information or any updates.

PAPERLESS NEWSLETTER

If you would prefer to receive Council's newsletter paperless, please advise the shire by providing your email address to goshire@goomalling.wa.gov.au and request to be added to the email group rather than receiving the paper hard copy.

WONGAMINE & HUGHES ROAD RECONSTRUCTION WORKS

During the week of 12th to 16th June, both Wongamine & Hughes Road will be temporarily closed for the reinstatement of the bridge section of Wongamine Road and concrete floodway section on Hughes Road respectively.

An SMS notification was sent as well as being published on Councils FaceBook and Web pages and residents on the affected roads were corresponded to.

Council appreciates the Community's understanding of the requirement to close the roads to complete the much needed works.

From the Shire President

What strange unseasonal weather we are experiencing in 2017 with Winter in February and Summer in June and we hope it changes very soon.

With winter sport in full swing, I wish everyone the best for a successful season and best of luck to those who will be representing Goomalling at various Junior & Senior Countryweek sports.

It has been a busy few months with many tasks being completed including the construction of the BMX Track Shelters, footpath repairs and town road verge and laneway repairs.

I'm sure the children and parents alike are looking forward to the July school holidays, please travel safe and enjoy the break.

Cr Barry Haywood, Shire President

From the CEO

to local governments.

Council's end of year financial position for 2016/2017 is within its budget parameters of a small surplus again not assisted by State and Federal Governments not only reducing grant allocations but also to their implementations of further cost shifting expenditures

Council is continuing to investigate ways of discovering un-tapped revenue to compliment its revenue base and for this financial year Council has acquired contract work of approximately \$200,000 in re-banding a number of water pipelines for the Water Corporation.

In conclusion I hope it is not long before we receive good rainfall to benefit our farming community.

Clem Kerp, CEO

GYM (24hr access)

Class Hours

Mon: 6.30am-7.30am

Tue: 9.00am-10.00am
4.30pm-5.30pm

Wed: 6.30am-7.30am

Thu: 6.30am-7.30am

Fri: 6.30am-7.30am
9.00am-10.00am

Fees

- \$6.00 per visit (\$3.00 concession)
- \$25.00 per month (\$12.50 concession)

- \$100 BOND (Key card for 24 hour access)

Come and visit us to discuss our services and programs available which include:

- Personal Training
- Pilates
- Water Aerobics (subject to participation/weather)
- Classes

RATEPAYERS & DEBTORS

Please ensure you use the appropriate reference on internet banking transfers to ensure your payment is allocated correctly. For debtors use the **Debtor Code** and for Rates payments the **Assessment Number**, both are located on the top right hand corner of the invoices/notices.

Communication is extremely important, if you're struggling to meet your payment obligations with Council please contact finance staff to make a payment arrangement that is realistic for your circumstances and minimises your stress. No communication suggests you're not going to pay therefore Council must take the necessary process to recoup the funds which may result in debt collection.

For more information, please contact Finance Officer Trudi Manera on 08 9629 1101.

PENSIONER REBATES

Please be advised that pensioners are required to pay their portion of the 2016/17 rates by 30 June 2017 in order to receive the rebate for 2016/17.

If you already receive a rebate:

The Shire must have a copy of your current concession card or we are not legally allowed to allow your rebate and you will have to pay the full rate amount and claim your rebate at a later date. To ensure you continue to receive your rebate, please present your current concession card to the Shire so we can take a copy when you come to pay your rates.

Am I eligible for a rebate?

You must hold one of the following concession cards:

- Pensioner Concession Card ("pensioner")
- WA State Concession Card ("pensioner")
- Commonwealth Seniors Health Card **WITH** a WA Seniors Card ("pensioner")
- WA Seniors Card **only** ("senior")

AND

- On 1 July of the current financial year, own and occupy the property as your 'ordinary place of residence.' Your 'ordinary place of residence' has a broad meaning, and may include situations where the owner is not able to occupy the property due to circumstances beyond their control, which include, but are not necessarily limited to:
 - An owner residing in a nursery home due to ill-health of frailty
 - A natural disaster destroying a residential dwelling, or preventing the owner returning to the property.

To 'own the property' means you must meet one of the following eligibility requirements:

- Registered on the Certificate of Title as the owner, or co-owner, of the property
- Have a 'right to reside' at the property, under the terms of a Will, and be responsible to pay the rates and charges
- Hold a long-term lease in a retirement village, park home park, lifestyle village, or caravan park
- Be the beneficiary owner of a Public Trustee held property, under the terms of a Court Order or trust document.

The property **must** be residential. If the property is also used to produce an income, then only the portion that is residential is eligible for the rebate. Please contact the Shire of Goomalling for further information.

Rural land for agricultural purposes is **not** eligible for a rebate in the Shire of Goomalling.

If you have any questions or concerns regarding your eligible rates rebate please contact Trudi Manera, Finance Officer.

TRAFFIC MANAGER COURSE – CASUAL EMPLOYMENT OPPORTUNITY

A Traffic Management Course will be run in Goomalling in August 2017. More information will be published in the Goomalling Endeavour closer to the date, however it is an opportunity to obtain qualification in Traffic Management and be available for casual employment with the Shire of Goomalling in Traffic Management for roadworks and construction projects when they arise.

Interested persons are encouraged to contact Council's Work Supervisor, Russell Beck on 0427 556 579 or email works@goomalling.wa.gov.au for more information or to register their interest.

CACTUS SITES NOW NUMBER 38

An impressive 38 locations have been found of Velvet Pear Cactus, most of these confined to the Goomalling townsite. A huge thanks to all members of the public for your reports, keep them coming in. A

Woohoo to Mal Chester for her find of 10 seedlings in a patch of bush near the Calingiri turnoff, (photo at left of a seedling cactus 10cm tall, taped for ease of locating again) her eagle eyes are impressive!! Once seeding has been completed, my attention will turn to rural properties, where the potential is for most damage to occur. (wool contamination, loss of productive land). Please call me with your sightings on 0428100910, or email:

cactus@goomalling.wa.gov.au. **Jean Walker**

Public Comment - Recreation Strategy 2017

The Shire of Goomalling has updated the Recreation Strategy which is now open for public comment.

The Recreation Strategy outlines the future needs of the community and includes asset management and retention, future works and current needs and trends in sport and recreation.

Documentation is available at <http://www.goomalling.wa.gov.au/council/tenders-/-public-comment/tenderes-public-comment.aspx>

Public comment is invited for 21 days, commencing Wednesday 24th May till Wednesday 14th June 2017.

All comments are to be submitted to eaceo@goomalling.wa.gov.au or delivered to the Shire office addressed to Jo Bywaters, Sport and Recreation Coordinator.

Community Development update

Community Garden

"I am passionate about having a community garden in Goomalling because I believe in providing children with new positive experiences, like growing food, and the link between eating well and being well."

I envisage children planting, watering, picking and eating food in the community garden. The community garden is also a place where children can play (which is a child's work) and adults can garden, share knowledge, enjoy the space and everyone feels welcome and safe."

Peta Marrell

Community Garden Committee member

The Goomalling community garden is a Shire of Goomalling initiative, and has been made possible by the successful grant application.

The garden is situated to the left of the Goomalling Town Hall on the block to the left of the Shire Depot. The garden will be fenced to define the area (and hopefully keep out the rabbits) and the area will be open to the community at all times. The area was chosen for its accessibility to the youth and child care centres, and the rear access to the shires old shade house which will now be part of the community garden.

As well as vegetable garden beds the area will include indigenous food plants, nature play area, rainwater tanks and seating. The plan for the area will be discussed as part of the training course.

An important part of the grant funding is the training component. This training, provided by Greg Knibbs, will provide us with the knowledge and skills required to build the garden and ensure its long term success.

Introduction to Permaculture Design Free course

12th -14th June, 8.30 to 4.30

19th – 20th June, 8.30 to 4.30

To register for all or part of the five day training contact Tahnee Bird, Community Development Officer 08 9629 1101 or cdo@goomalling.wa.gov.au

'Greg is a passionate Permaculture designer and teacher who has run the Permaculture Design Certificate Course in East and West Africa and South East Asia, over many years. Greg is the founding Director of Edge5 Permaculture and brings a wealth of experience and knowledge in all aspects of Permaculture Design.

He was instrumental in setting up the Philippines Permaculture Institute and also played a central role in the development of the Ghana Permaculture Institute. Greg taught by personal invitation with Bill Mollison and Geoff Lawton on their Permaculture Design Certificate Course at Trinity College in Melbourne. He has also been involved with permaculture hands on workshops with Bill Mollison at his farm in Tasmania and taught advanced Permaculture design with David Holmgren. Greg is currently involved as a permaculture consultant for Communities Assist, in Tanzania, (see www.communitiesassist.org).

He is also in the process of developing the Slow Food, Green Life Community Permaculture Education Institute, in a small village near Jagna, Bohol, Philippines.' Retrieved from <http://www.edge5.com.au>

INTRODUCTION TO PERMACULTURE DESIGN - FREE COURSE

12th-14th June, 8.30am - 4.30pm

19th-20th June, 8.30am - 4.30pm

**Goomalling Memorial Town Hall
34 Quinlan Street
Goomalling WA 6460**

FREE (Ordinarily \$700 per person)

Funded by Department of Local Government & Communities

Permaculture program includes:

- Organic Production – vegetables, fruit, herbs
- Soil – how to create a healthy living soil food web
- Composting – worm production
- Natural IPM – integrated pest management
- Water harvesting, designing a swale and basic irrigation
- Animal systems, chicken tractor
- Tree systems
- Designing and maintaining trees for windbreaks.

Garden design includes:

- Garden construction
- Least path layout
- Keyhole beds
- Raised beds
- Bio-intensive beds
- Sheet mulch beds
- Wicking beds.

Teacher: Greg Knibbs of Edge5 Permaculture.

*Come when you can.

If you cannot commit to five days, you can come when you can.

*Everybody is welcome!

You don't have to be a Goomalling Community Garden member or participate in the community garden to complete the course.

*Learn new skills and expand your career opportunities.

Intro to Permaculture design provides requisite for the Permaculture Design certificate, a nice addition to your resume.

**To register contact Tahnee Bird, Community Development Officer 08 9629 1101 or
cdo@goomalling.wa.gov.au.**

The Goomalling Tip Shop

April 2017

The Tip Shop opened on April 2nd and work has begun on sorting the contents of the sea container. We are very grateful to everyone who leaves items for the tip shop at the sea container. Goods are also collected regularly from the tip area.

Ones persons' trash is another's treasure. If you are not sure, please leave it at the sea container. Unfortunately, some items are damaged when left around the tip site.

Welcome Jules and Shirley, who have kindly offered to assist with the Tip Shop. Both ladies are relatively new to Goomalling and are keen reusers and recyclers.

Thanks to the Tip Shop customers, the Tip Shop currently has \$1200.00 in the bank. At present we are in negotiations with a group who can recycle mattresses. They are willing to collect a minimum of 60 mattresses from Goomalling at a cost to us of \$1740.00, this includes pick up and recycling costs. This is a great opportunity to reduce the amount of landfill caused by an item that has previously not been recyclable at the Goomalling Tip Site.

Photos of some of the items that have found new homes instead of becoming landfill:

Thank you also to everyone who has left their empty plant pots in the wire container on the LHS of the sea container. If you need plant pots please help yourself, they are a free item from the Tip Shop. Also free are the pieces of exercise equipment which are located at the front of the sea container.

The Goomalling Reuse Centre – The Tip Shop facebook page is regularly updated with new stock. **Contact Peta on 0467 895 811 for further information or if you are looking for a specific item.**

BIKERESCUE PROGRAM EMPOWERS LOCAL YOUTH

Local youth were challenged and enthralled during Dismantle's BikeRescue program during the school holidays, with ten young people rebuilding seven bikes over the course of the three-day workshop.

During this intensive three-day program, the young people worked alongside bike mechanic Pat to fully restore bicycles in a mentored workshop environment. Dismantle have designed the program to provide a unique opportunity for participants to connect with peers, mentors and Council staff all whilst developing knowledge of bike mechanics resulting in enhanced self-confidence and self-awareness.

The atmosphere in the workshop was super chilled, with Bob Marley tunes in the background setting the scene for productive sessions. Council was impressed to see the program's capacity for engagement, an outcome underpinned by mentoring principles which have lead to the program's success with young people from various backgrounds, including those who may be at risk or disengaged.

The young people involved were able to attain a great sense of achievement after completely deconstructing second-hand bikes, painting and rebuilding the bikes with new brakes and handles, some even had to handle the complexity of rebuilding shock absorption mechanisms.

Each participant was presented with a certificate acknowledging their participation achievement.

Remaining Council Meeting Dates 2017

The remaining Council Meeting dates for 2017 are as follows, subject to change:

Wednesday 19th July

Wednesday 18th October

Wednesday 16th August

Wednesday 15th November

Wednesday 20th September

Wednesday 20th December

WA OFF ROAD RACING ASSOCIATION (WAORRA)– EXPRESSION OF INTEREST

WAORRA is the oldest off-road racing club in Western Australia, comprising of over 130 enthusiastic off-road endurance racing members. The WAORRA originated in the '70s when some of the founding members raced the sand dunes in Lancelin. Now, the members generally race on farming properties within a few hours' drive from Perth, in the next generation/s of racer in faster and stronger vehicles.

Off-road racing tests the competitors and their vehicles over different track conditions, consisting of anything from mud and creek crossings, gravel pits, open paddocks, tight bush tracks, long sandy straights, dusty corners and some very rough terrain sections. Most races are held over two days, with the lap distance varying from 25-60kms in length and totalling anywhere between 200kms to 500kms per race for long course events.

WAORRA are interested in hosting an event in the Shire of Goomalling, which has the support in principal from the Council. The event promises economic benefit for businesses and community groups with an influx of visitors, as well as creating another spectacle for everyone to enjoy.

The event would 100% be managed and coordinated by WAORRA.

Council is seeking expressions of interest from property owners about the possibility of using part of your property to create the track. To see WAORRA's full proposal, to offer your support or to find out more information contact Tahnee Bird, Community Development Officer 08 9629 1101 or cdo@goomalling.wa.gov.au

For more information about past events see the following:

Pioneers' Pathway

Pioneer's Pathway is a collaborative tourism initiative between the Shire's of Toodyay, Goomalling, Dowerin, Wyalkatchem, Trayning, Nungarin and Merredin mirroring the route pioneers travelled on the way to the Yilgarn and Kalgoorlie goldfields. The self-drive trail was developed to create a ribbon of economic benefit to the participating communities.

The committee has reconvened to redevelop and refresh the image of the pathway including updating its website and creating a presence on social media in line with current marketing standards. Shire of Goomalling is the coordinator and administrator of the project and its development.

Lighthouse Project

The Lighthouse Project is a partnership project between the Disability Services Commission and Local Government Managers Australia (LGMA) WA to increase the employment of people with disability in local government.

The project supports local governments to meet their Disability Access and Inclusion Plan (DAIP) obligations in relation to Outcome 7 - Employment of people with disability - a legislative requirement which came into effect 1 July 2015.

#BanTheBag

The Project has teamed up with Clean Up Australia to call on NSW Premier Gladys Berejiklian, Victorian Premier Daniel Andrews, and WA Premier Mark McGowan to #BanTheBag. These three great Australians could see single-use non-biodegradable plastic bags banned across Australia, thanks to existing bans in South Australia, Tasmania, Northern Territory, the ACT, and an impending ban in Queensland. Support for existing bans is overwhelming. In South Australia, 81% of the consumers strongly support the ban. As do 73% of Territorians, and 70% of Australians living in the ACT.

Currently, Australians use an estimated four to six billion plastic bags each year. That's 10 million bags every day. Every minute, we send 7,150 plastic bags to landfill. But 80 million plastic bags never make it to landfill, and instead end up in our litter stream, killing 100,000 birds and marine life every year. On average, it's estimated we use a single-use plastic bag (like you'd find at Coles and Woolies) for just 12 minutes. And that same bag could take up to 1,000 years to break down. A plastic bag you use today will share this planet with your great great great great great great great great great great great great grandchildren.

You can show your support for the campaign by signing the change.org petition:

<https://www.change.org/p/ban-plastic-bags-across-nsw-victoria-and-wa>

The project comprises a range of initiatives to improve local governments' understanding of the benefits of employing people with disability. It also assists local governments to develop targeted strategies to overcome barriers in employing people with disability.

Shire of Goomalling received \$10,000 in a competitive funding round to update their policy manual and carry out Diversity Training to build staffs confidence and understanding about the needs of workmates with disability.

Once you've signed, contact these our premier directly and encourage the WA Government to lead the way and #BanTheBag!

MARK MCGOWAN

WESTERN AUSTRALIAN PREMIER

E: wa-government@dpc.wa.gov.au

P: 08 6552 5000

F: <https://www.facebook.com/MarkMcGowanMP/>

T: <https://twitter.com/MarkMcGowanMP>

Council will be writing a submission requesting the WA State Government to #BanTheBag and take responsibility, removing pressure and administrative workload from Local Governments and ensuring the campaign expands efficiently across the State.

We would like to know what you think, send your comments to Tahnee Bird, Community Development Officer cdo@goomalling.wa.gov.au or 08 9629 1101.

Let Kids be Kids

stop poor sideline behaviour in junior sport

that's **60%**

Here's what they want from sport

1. To have fun.
2. To do something they're good at.
3. To improve their skills.
4. To stay in shape.
5. To get exercise.²

Sport is generally a positive experience for most kids, but... **75%**

A UK study showed that 75% of children who participated in organised sport up to the age of 16 had been criticised for their performance, had been shouted or sworn at or had been embarrassed or humiliated by a coach, parent, peer or sports administrator.³

"Mum and Dad, I sure love sports, but it seems like my sports make you guys angry more than they make you happy."⁵

Australian research shows that aggressive behaviour on the sidelines is embarrassing junior footballers, making them lose confidence and can lead to them quitting the sport.⁴

How to recognise poor behaviour

1. Emphasis on winning/results
2. Abuse/intimidation of coaches/officials
3. Excessive instruction from the sideline
4. Putting down children in front of others
5. Criticise performances on the drive home

Positive things we can do

- Respect all athletes, coaches and officials
- Support, encourage and praise efforts
- Be enthusiastic and positive
- Emphasise fun and enjoyment
- Be quiet and listen

Changes to AvonLink Services

From 3 July 2017 the enhanced AvonLink services trial will cease and the AvonLink train services will revert back to the pre-trial working timetable of 10 services per week (MerredinLink reverting to 6 services a week).

This means that the AvonLink will depart Toodyay Monday-Friday at 6.50am and return at 6.45pm.

This may have an effect on the Goomalling feeder bus service which currently runs every Thursday. Any changes will be advertised in the Goomalling Endeavour and on Council’s FaceBook and Web pages.

Rural Ranger Services

Our ranger Gloria Robinson is an authorised provider of micro-chipping services for both cats and dogs.

For a fee of \$30.00 you can have your pet micro-chipped in your own home. For any enquiries or if you wish to have your cat/dog micro-chipped please call Gloria on 0408 909 356.
