Shire of Goomalling has the privilege of hosting the 2021 LGIS Local Government Golf Tournament. The tournament is a networking event fully sponsored by Local Government Insurance Services (LGIS) other local government suppliers.

The event will be coordinated and hosted by Shire of Goomalling staff, therefore our administration office will operate with skeleton staff on Thursday 19 August and will be closed Friday 20 August.

The event brings in approximately 100 outside participants injecting external cash into our local economy, benefiting in particular our accommodation providers and hospitality services; and will be a major fundraiser for Goomalling Golf Club.
