ANSTEY PARK

It is disappointing to note that there have been a number of instances of vandalism at Anstey Park since reopening to the public including breaking of play elements, trashing of the toilet, feature rock throwing and breaking and damage to fencing. It appears that one of those responsible may have cut themselves on the broken glass.

In addition, issues have arisen with litter (coffee cups) and dog excrement not being disposed of by park users and dog owners.

While the damage and cleanup is costly and disappointing, it is also a really poor outcome for the youth of the town and the wider community as the park was developed from their feedback for us to provide better facilities for our youth.

Unfortunately, we are now likely to install CCTV monitoring at the park and if the damage continues, we will consider fencing off the park and having it open for limited times during the week. We will also consider prosecuting anyone who is caught on camera vandalising the facility.

PLEASE: Pick up your rubbish, scoop the poop and don't throw rocks!

SCAMWATCH

'Deepfake' clickbait scamming would-be investors

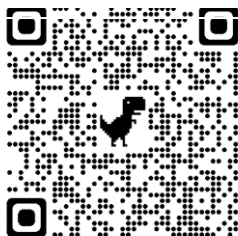

Fake news and 'deepfake' videos of celebrities and public figures appearing to promote online investment platforms are increasing on social media.

'Deepfakes' are lifelike impersonations of real people, created by artificial intelligence (AI).

Scammers create ads and fake news articles to make you believe the celebrities actually use these scam investment platforms.

The platforms claim to use AI and other technologies like quantum computing to create high profits for investors.

GUIDELINES FOR KEEPING OF POULTRY IN RESIDENTIAL ZONED LAND

Due to the noise issues surrounding roosters and peafowl, the keeping of these birds is carefully controlled so as to minimize disturbance.

On land that is zoned residential, it is not possible to keep a rooster, turkey, goose or gander, any game bird or a peafowl without the resident being granted an exemption by the Shire of Goomalling to do so.

The property owner must then comply with any conditions that the Shire of Goomalling sees appropriate as part of the exemption approval.

In order to consider an application for exemption for the keeping of roosters or peafowl an applicant must be able to satisfy the following requirements:

1. A maximum of one (1) rooster can be kept with an exemption.
2. Roosters should ideally be kept in a housing that has been designed to reduce noise emissions.
3. Roosters should also ideally be housed in a small box or similar (within the housing described above) overnight to minimize any light intrusion and restrict neck movements in order to prevent early morning crowing. **This is not a provision within the Local Law, but possibly considered as a condition where rooster is a nuisance**
4. The enclosure must be positioned suitably on the property so as to maximize noise attenuation.
5. Any noise generated from the keeping of roosters must comply with the requirements of the Environmental Protection (Noise) Regulations 1997 (the Regulations). An approval can be revoked at any time if noise generated by roosters does not comply with the requirements of the Regulations.
6. Written comment from all neighboring land owners and/or occupiers will be sought.
7. Acknowledgement in writing that the applicant understands that the Shire of Goomalling may cancel an exemption should they be of the opinion that the cancellation is warranted.

It is the responsibility of the applicant to demonstrate how the above requirements will be achieved. Once the application is submitted a site assessment of the

property and enclosure will be conducted prior to an approval being granted.

If you are making application as a result of a complaint associated with the keeping of roosters you will need to lodge the application demonstrating that you have satisfied

the requirements listed above and any other conditions that have been deemed appropriate by the Shire.

The Shire of Goomalling reserves the right of refusal on applications to keep a rooster and to cancel exemptions should they be of the opinion that the cancellation is warranted.

Conditions for Keeping Poultry in Limited Numbers

5.4.3

A person who keeps poultry or permits poultry to be kept shall ensure that –

- (a) no poultry is able to approach within 9 metres of a dwelling house, public building or premises where people are employed or where food is stored, prepared, manufactured or sold;
- (b) all poultry is kept in a properly constructed and securely fastened structure or enclosure;
- (c) the structure is in a yard having an otherwise unobstructed area of at least 30 square metres;
- (d) no poultry are able to approach within 9 metres of a street other than a right of way unless, in the case of land at the junction of two or more streets, Council has approved a lesser distance;
- (e) no poultry is able to approach within 1.2 metres of any side or rear boundary of the premises; and
- (f) all enclosures or cages within which poultry are kept shall be maintained at all times in a clean condition and shall be disinfected or otherwise dealt with in a way as directed by an Environmental Health Officer.

Roosters, Geese, Turkeys, Peafowl's and Game birds

5.4.4

(1) An occupier of premises within a townsite, shall not without the written approval of the Council, keep or permit to be kept on those premises, any one or more of the following fowl –

- (a) a rooster;
- (b) a goose or gander;
- (c) a turkey;
- (d) a peacock or peahen; and
- (e) a game bird (includes emus and ostriches).

(2) The Council may upon written application, grant approval with or without conditions to the owner or occupier of premises to keep any one or more birds as specified in subsection (1).

(3) A person who has been granted approval under this Section to keep a bird may keep the bird on the premises only while he is the occupier thereof. (4) The Council may revoke an approval granted under this Section if it is of the opinion that the keeping of the birds specified in the approval is causing a nuisance or is injurious, offensive or dangerous to health.

GOOMALLING WAR MEMORIAL SWIMMING POOL

The pool will be closing for the 2023/24 season at 6.00pm on Wednesday 27 March 2024.

Thank you to the Pool Manager, Sandie for a great season and once again thank you to the local businesses and individuals whose generous contribution provided free admission to the community.

JENNACUBINE CWA

Jennacubbine CWA have their meetings on every second Monday, of each month, @ our little CWA rooms.

On the 8th March 2024, 4 of the members went down to "Frasers" in Kings Park, for the official launching of the "Women of Spirit" Book, a centenary of CWA stories. Our Ellie Eaton has one of the stories in the book. A wonderful night, with a magnificent venue & scenery.

On the 11th March, 9 members went down to Mt Helena/Parkerville CWA, hosting the "Gathering of the Birds" day. A very good catch-up day with everyone, all organizing on coming events during the coming year.

GO Service & Recycling

PO Box 42, GOOMALLING WA 6460 –

goomaservice@hotmail.com

The role of GO Service & Recycling (GOSAR), is for a group of volunteers to provide Goomalling community with a fundraising avenue through recycling to benefit community groups by request.

Thank you

GO Service And Recycling (GOSAR) would like to thank the community for donating their 'containers for change' to GOSAR.

If you are a community group of the Goomalling district and require financial support with fundraising for a worthy cause, please make your request to **GO Service & Recycling, PO Box 42, GOOMALLING WA 6460.**

We have just recently made a \$500.00 donation to the RFDS WA. We have many members who have needed this service, whether from Goomalling, or from other areas while on holiday or work.

GOSAR are in the process of clearing items that we no longer use at the depot. There are 13 big bins (approx.. 1.2m x 2.4m), 4 can crates (approx. 1.5m x 2.4m), a variety of wool presses and the can crusher.

If you are interested, please contact Ian Anderson or Roly Van Gelderen for details, or keep an eye out on Facebook Marketplace.

All proceeds go to GOSAR, which will then become available to Goomalling Community Groups by request for worthy causes.

REMINDER- You can drop off your donations to the shed on White Street or leave them for **kerbside pick-up on the second Sunday of the month.** You may also like to donate your eligible containers at any Refund Centre using the **GO Service & Recycling Scheme ID number; C 10287098.**

GO Service and Recycling also accept **vehicle batteries and radiators, non-ferrous metals and newspapers** at the depot.
