## Wheatbelt Mental Health Service

**Providing free, confidential, quality, community mental health care to the people of the Coastal and Wheatbelt communities.**

## Who are we?

The Wheatbelt Mental Health Service is a team of Mental Health Professionals including Consultant Psychiatrists, Clinical Psychologists, Social Workers, Child and Adolescent Professionals and Community Mental Health Nurses.

## Services provided

This service provides comprehensive assessment and treatment for people with mental health problems. The service can provide training and support to other organisations and professionals.

Programs include:

- \* Child & Adolescent Mental Health Program (under 18 Years)
- \* Adult Mental Health Program
- \* Seniors Mental Health Program

## Who can we help?

The service can help people of any age with a range of mental health problems including depression, anxiety, stress reactions, psychotic disorders, eating disorders and thoughts of suicide.

## For after hours help
