DOUG SEWELL & MARGARET DAVEY APPRECIATION FOR THEIR EXTENSIVE PUBLIC SERVICE TO GOOMALLING

Council is hosting an appreciation dinner for retired Councillors Doug Sewell and Margaret Davey for the long and loyal service of eighteen (18) years and twenty one (21) years respectively.

Being a Councillor on the Shire of Goomalling is a serious commitment that offers little remuneration and a lot of challenges so it is fortunate that we have had such passionate people in our history to continue to lift Goomalling to the forefront of country local governments. Together with their colleagues they created unique opportunities in the face of diversity ensuring continuity of our community in times when we thought we would lose everything. Doug & Margaret were a part of the dynamic Council that risked loses to retain the hospital, doctors and banking services which allowed our town to continue to prosper and expand our services.

“The eighteen and twenty one year period of association was memorable and will continue to be long lasting. Council decisions during their tenure contributed significantly improving the infrastructure and services the shire currently provides.” says Clem Kerp
