WORK FOR THE DOLE JOB SEEKERS GIVE BACK TO THE GOOMALLING COMMUNITY

Council is a work for the dole service provider completing the first 26 week program at the end of 2015. The second 26 week program commences Monday 14th March where eligible job seekers will gain skills and experience with the Council, support our community and position them better for employment.

“Work for the Dole places job seekers in activities where they can gain skills and experience that give back to the community and can help them find a job.”¹

The priority focus areas for the Goomalling program include the following:

1. Repairing footpaths;
2. Patching potholes;
3. Constructing culverts end walls; and
4. Cross overs.

“Council is happy to provide job seekers the opportunity to gain experience as it not only assists them to find employment but also provides more hands to support completion of the extensive works program – especially repairing footpaths.” says Clem Kerp
