

TEMPORARY FOOD STALL APPLICATION FORM

Food Act 2008

This Form is to be used for temporary food stall applications for events in the Shire and as required by the *Food Act 2008 WA*. A temporary food premises is a structure set up for a specific or occasional event, or an ongoing calendar event. The food stalls are not required to meet the same requirements as a permanent food premises, however they are required to meet some basic food safety requirements.

Please complete the following information to assist the Shire's Environmental Health Officer in assessing your food activities with the Food Safety Standards and return it to the Shire of Goomalling. Once assessed the Shire will inform you of the outcome and may conduct an inspection during the event.

Please tick one of the following:

- A charity or community based group or organisation (no fee).
- A Registered Food Business (\$10 fee)

TEMPORARY FOOD STALL APPLICATION FORM

Food Act 2008

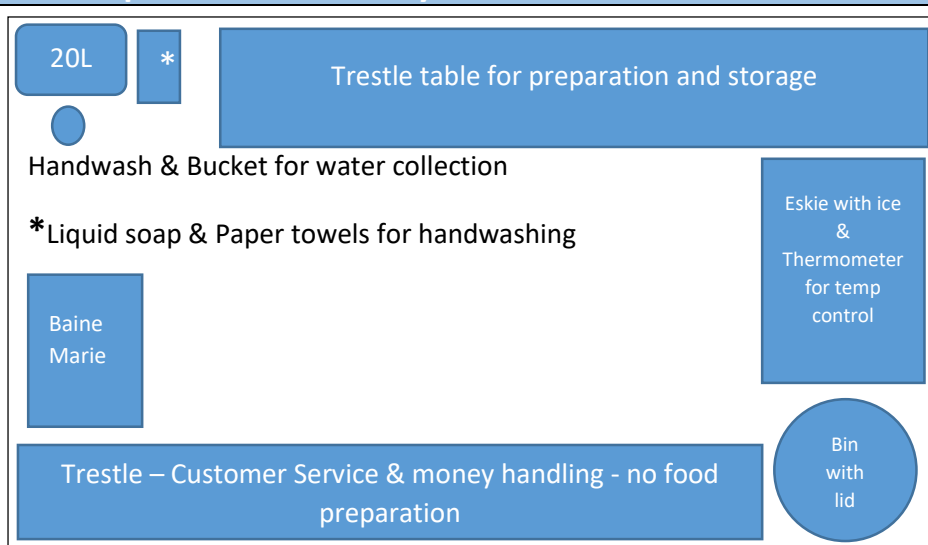

Food Stall Safety Checklist and Example Food Stall Layout

1. Event Day Checklist for Stall Holders

1.0 Approvals		✓ / X
▪ Approval Certificate from Shire of Goomalling to Operate a Food Stall obtained & available?		
▪ Food obtained from Registered Food Businesses only?		
▪ Food Stall set up complies with the minimum standards and stall layout example?		
1.1 Food Storage		✓ / X
▪ Food (and rice cookers) to be stored at least 150 mm above the floor or in suitable impervious containers and, where possible, kept out of direct sunlight.		
▪ Potentially hazardous foods like poultry, meat, dairy products, seafood and egg-based products must be stored under temperature control. If intended to be stored frozen, the food must remain frozen during storage. Make sure your esky is large enough to contain all food required, and enough ice to last 24 hours.		
▪ Make cleaning products & chemicals clearly identifiable and separated from food.		
1.2 Cross Contamination		✓ / X
▪ Have separate utensils for cooked and raw meats, poultry and seafood		
▪ Wash used utensils every 2-hours, throughout the day or when contaminated		
▪ Cover all food		
▪ Keeping dry foods separate from wet products (food, oils, cleaning equipment)		
▪ Keeping cooked meat and salads separate from raw meat, raw poultry and raw seafood		
▪ 20L potable water - for washing your hands after handling raw meats, raw poultry, raw seafood and raw vegetables. For washing utensils and cleaning surfaces		
▪ Not re-using raw meat trays for serving		
1.3 Food Display		✓ / X
▪ Potentially hazardous cold food to be stored at 5°C or below, or hot food at 60°C or above (Thermometer on-site)		
▪ Physical barriers to be provided between all foods and customers (sneeze guards, containers, display units etc.).
