	Candidate name	Dean Leslie BRADOCK

	Nominating for	Councillor for Shire of Goomalling
	Election type	Ordinary
	Enrolment status	BRADOCK Dean is eligible to stand for election as a resident of the Shire of Goomalling.

My Wife and I moved to the Shire just under 4 years ago.

Having spent my youth in rural South Australia, I've always wanted to return to a rural environment as a retirement destination well away from the stress and noise of the cities I have lived in.

Having settled in and completed the major parts of our home renovations, I now find that I have more time available and have decided that the best way I could spend that time is to give back to the wonderful welcoming community that we've chosen to live in.

I would regard it to be a privilege and an honour to serve our community and ensure it thrives.
