Julie Chester

I have served the last eight years on the Goomalling council. Within this period I have had the most enjoyable time and have learned an enormous amount about myself and what the Council's roles and responsibilities are for not only the community but also within the larger community.

I have lived all of my life in Goomalling and pride myself on being very community minded. I am very passionate about country living, so I love the town that I live in.

Goomalling's Shire is a very active one, and is committed to making Goomalling a prosperous town, and supporting all of its residents with their needs.

I would really like to be a part of this, as I have very strong country and community values. I believe by continuing my role as a councillor I will be able to assist the community and support the council with their future improvements for Goomalling.
