I am very much a local of Goomalling being born and here and have always lived here. I have been a councilor for Goomalling for the past 12 years and am very proud of the achievements that have come with this. I am extremely community driven and want to see Goomalling thrive and grow and not just slip away into the dust. Community is very important to me, and I believe what you put in is what you get out. You need to be involved with the people, listen, learn, advocate for your community. I am a very proud and passionate Goomalling person and would like to continue to keep Goomalling thriving and to be sustainable into the future.
