9.1.2 FINANCIAL REPORTS FOR JANUARY & FEBRUARY 2019

DATE:	14 March 2019
SUBJECT:	Monthly Financial Report
PROPONENT:	N/A
LOCATION:	Whole of the Shire
AUTHOR:	Natalie Bird – Finance Manager
REPORTING OFFICER:	Natalie Bird – Finance Manager
FILE NO:	N/A
ASSESSMENT NO:	N/A

PURPOSE

In accordance with the Local Government (Financial Management) Regulations 1996, to follow is the presentation of the Monthly Financial Reports to Council.

BACKGROUND

Monthly Financial Reports are to be presented to Council and are to be received by Council resolution.

STATUTORY IMPLICATIONS

Local Government Act 1995 – Section 6.4

Local Government (Financial Management) Regulations 1996 – Clause 34 and 35

POLICY IMPLICATIONS

No specific policy regarding this matter.

FINANCIAL IMPLICATIONS

Ongoing management of Council funds

STRATEGIC IMPLICATIONS

C2.7 Provide reporting processes in transparent, accountable and timely manner.

ATTACHMENTS

D) Monthly Financial Report to 31 January 2019

E) Monthly Financial Report to 28 February 2019

VOTING REQUIREMENT

Simple Majority

RECOMMENDATION

That the following Monthly Financial Reports be received by Council:

- **Monthly Financial Report to 31 January 2019**
- **Monthly Financial Report to 28 February 2019**

9.1.3 2018 COMPLIANCE AUDIT RETURN

DATE:	7 March 2019
SUBJECT:	Annual Compliance Audit Return
PROPONENT:	Shire of Goomalling
LOCATION:	N/A
AUTHOR:	Karen Mannaerts – Executive Assistant
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	102-1
ASSESSMENT NO:	N/A

PURPOSE

To adopt Council's 2018 Compliance Audit Return (CAR) in accordance with the Local Government Act 1995.

BACKGROUND

Each Western Australian local government is required to carry out a compliance audit for the period **1 January to 31 December** against the requirements of the compliance audit return. The CAR has been prepared by EA and DCEO, and reviewed by CEO. After the compliance audit return is accepted by Council, a certified copy of the return, along with the relevant section of the minutes and any additional information explaining or qualifying the compliance audit, is to be submitted to the Director General of the Department of Local Government and Communities by **31 March**.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

No policy regarding this matter.

FINANCIAL IMPLICATIONS

Nil

STRATEGIC IMPLICATIONS

C2.7 Provide reporting processes in transparent, accountable and timely manner.

ATTACHMENTS

F) 2018 Compliance Audit Return

VOTING REQUIREMENT

Absolute Majority

RECOMMENDATION

That Council hereby adopt the presented Compliance Return as the Official Compliance Return for 2018 with the following certifications:-

- **The information contained in this Return is true and correct to the best of our knowledge.**
- **This Return was included in the agenda papers and considered by Council at the Ordinary Meeting of Council held on 20 March 2019.**

- Each Councillor has had the opportunity to review the Return and to make comment to the Council.
- The extract of the minutes attached to the Return is a true and correct copy of the relevant section(s) of the above-mentioned minutes.
- The Council adopted the Compliance Audit Return as the official Return of Council for the period 1 January 2018 to 31 December 2018.
- Council reviewed the 2018 Compliance Audit Return noting amendments as detailed and recorded its satisfaction to the answers in the return.

9.4 REQUEST FOR FINANCIAL ASSISTANCE – LIONS CANCER INSTITUTE

DATE:	28 February 2019
SUBJECT:	Financial assistance – Lions Cancer Institute
PROPONENT:	Lions Cancer Institute
LOCATION:	Whole of the Shire
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	48
ASSESSMENT NO:	N/A

PURPOSE

To consider a request from the Lions Cancer Institute for financial support as per attached documentation

BACKGROUND

The CEO received a telephone request for funding from the Institute and requested that a written request be submitted. The request has been made in a package format to provide for a set number of children to attend the “Special Children’s Big Day Out”, details of which are attached although does not specify the actual nature of the event beyond the participants.

It is assumed from the request that the children benefitting from the funding are not only cancer sufferers, but a whole host of other serious illnesses as well.

Council agreed to support this event in August last year and contributed \$500. It is unclear as to whether this is the same event or a subsequent event as it goes by the same name and neither request comes with an event date.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

No specific policy regarding this matter.

FINANCIAL IMPLICATIONS

The contribution in both cases is unbudgeted expenditure.

STRATEGIC IMPLICATIONS

This matter is not directly dealt with within the Community Strategic Plan

ATTACHMENTS

G) Copy of email from the Lions Cancer Institute

OFFICER COMMENT

Council has made a contribution to the institute within the current financial year and under normal circumstances, if this was to be a regular donation, it would be an annual donation budgeted for at the commencement of the financial year. It is unclear as to whether this is the same event or a subsequent one.

The email discusses the appeal for this event and goes on to ask for support for free mobile cancer screening as well. Again it is unclear as to whether this is part of the initial request or is further to the request for the "Big Day Out".

VOTING REQUIREMENT

Simple Majority to deny, Absolute Majority to make contribution.

RECOMMENDATION

That the Council:

Advise the Lions Cancer Institute that on this occasion it will (by Absolute M)/will not (by Simple M) provide further financial support within this financial year.

9.5 FITNESS FOR WORK POLICY

DATE:	28 February 2019
SUBJECT:	Fitness for Work Policy
PROPONENT:	Peter Bentley – Chief Executive Officer
LOCATION:	Whole of the Shire
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	132
ASSESSMENT NO:	N/A

PURPOSE

To consider a revised Fitness for Work Policy outlining a framework for dealing with drugs, alcohol and impairment of staff during normal working hours.

BACKGROUND

The CEO is looking to put in place regular drug and alcohol testing for all staff with a particular emphasis on employees who operate machinery or vehicles owned by the Council. Council has an existing policy however this does not provide any meaningful framework for dealing with employees who test positive to drugs or alcohol.

The revised policy sets out actions and processes should an employee test positive to drugs or alcohol.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

This policy replaces an existing policy.

FINANCIAL IMPLICATIONS

The policy will involve some expense through any actions that are taken which arise from the testing of staff and any rehabilitation that stems from positive test results.

STRATEGIC IMPLICATIONS

This matter is not directly dealt with within the Community Strategic Plan.

ATTACHMENTS

- H) Proposed Fitness for Work Policy
- I) Current Policy 4.38 - Alcohol and Drugs

OFFICER COMMENT

The policy should be revised by staff prior to final implementation. This draft is the final draft prior to making it available to staff for comment prior to final adoption by the Council.

VOTING REQUIREMENT

Simple Majority.

RECOMMENDATION

That the Council:

- 1. Review the attached draft Fitness for Work Policy;**
- 2. Provide the policy to all staff for comment and review;**
- 3. Should there be no objections from the staff implement and adopt the policy.**

9.6 REVIEW OF COMMUNITY STRATEGIC PLAN

DATE:	28 February 2019
SUBJECT:	Review of Community Strategic Plan
PROPONENT:	Peter Bentley – Chief Executive Officer
LOCATION:	Whole of the Shire
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	158
ASSESSMENT NO:	N/A

PURPOSE

To consider the latest incarnation of the Community Strategic Plan which was the subject of community meetings late last year.

BACKGROUND

Council undertook a major review of the Community Strategic Plan last year and employed Ron Back to facilitate the process. Mr Back has provided staff with the revised plan and Council now has the opportunity to revise this prior to the document being put out for public comment.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

There is no specific policy relating to the Community Strategic Plan.

FINANCIAL IMPLICATIONS

None

STRATEGIC IMPLICATIONS

C 2.8 – Increase capacity through the application of the integrated strategic planning process

ATTACHMENTS

J) Draft Strategic Community Plan Reviewed 2018

OFFICER COMMENT

Some staff have had the opportunity to review the plan and will also have the opportunity again through the public comment process.

VOTING REQUIREMENT

Simple Majority

RECOMMENDATION

That the Council:

- 1. Review the attached draft Community Strategic Plan;**
- 2. Make the plan available to the public for review and comment;**
- 3. Adopt the plan at the May meeting**

9.7 CRC ROOF

DATE:	28 February 2019
SUBJECT:	CRC Roofing Problems
PROPONENT:	Peter Bentley – Chief Executive Officer
LOCATION:	Goomalling Community Centre
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	23 /149-1
ASSESSMENT NO:	A796

PURPOSE

To consider a report from Avon Civil Engineering recommending a method of repairing the CRC Roof to reduce problems with water in the roof space.

BACKGROUND

The CRC roof has been leaking for a number of years now and there are some issues with the way in which the roof was originally designed. Given that the building was constructed some 10 years ago with no prior advice to the builder regarding the issues it will be the Council's problem to rectify.

Council budgeted a loan of \$60,000 to re-roof the building however the CEO has had a structural engineer review the problem and he has provided an alternative method of dealing with it. Essentially, the repair would entail injecting a water tight Expanda Foam

into the current the sheetmetal lap, and extending it by some 600mm to provide a double barrier to wind driven stormwater.

This is considerably cheaper than the proposed \$60,000 re-roofing of the building.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

There is no specific policy relating to this matter.

FINANCIAL IMPLICATIONS

The project would likely be less than \$10,000 to complete.

STRATEGIC IMPLICATIONS

B 1.1 – Develop and maintain sustainable assets and infrastructure

ATTACHMENTS

K) Copy of the Engineer's Report CRC

OFFICER COMMENT

This method will be a considerably cheaper option and at this stage I have been unable to locate any other engineering advice that may have been sought in the past.

VOTING REQUIREMENT

Simple Majority

RECOMMENDATION

That the Council:

Grant approval to the CEO to undertake repairs up to \$10,000 to repair the CRC roof, recognizing that this expenditure is unbudgeted and that the budgeted proposed loan for \$60,000 be discontinued.

9.8 OLD DOCTORS RESIDENCE

DATE:	28 February 2019
SUBJECT:	Old Doctors Residence
PROPONENT:	Peter Bentley – Chief Executive Officer
LOCATION:	13 High Street
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	23/78-1
ASSESSMENT NO:	A670

PURPOSE

To consider a report from Avon Civil Engineering which suggests that the Old Doctors House is unfit for human habitation.

BACKGROUND

The Council recently inspected the old Doctors house after the CEO advised that he had verbal advice that the building was unfit for habitation. Mike Gill, who is a civil and structural engineer was the engineer engaged by the previous CEO to review the building. He was asked at that time for a verbal opinion.

Given that the Council had some discussions at and after the last meeting I thought it prudent to obtain a written report from the engineer regarding the state of the building, the problems that have caused the serious cracking and the likelihood of being able to repair the building.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

4.22 Asset Management

FINANCIAL IMPLICATIONS

Any repairs to the building would likely cost several hundred thousand dollars.

STRATEGIC IMPLICATIONS

B 1.1 – Develop and maintain sustainable assets and infrastructure

ATTACHMENTS

- L) Copy of the Engineer's Report 13 High Street

OFFICER COMMENT

It is my understanding that there was some doubt regarding the severity of the damage to the building and whether it would be viable to repair the building. The engineer was clearly of the opinion that the cost of demolishing the building and constructing a new house would be less than the repair cost of the existing house.

VOTING REQUIREMENT

Simple Majority

RECOMMENDATION

That the Council:

Acknowledge that the old Doctors house at 13 High Street is unfit for habitation and that the CEO make preliminary plans for;

1. the eventual demolition of the building

and

2. the construction of new housing on that lot.

9.9 REQUEST TO KEEP FIVE DOGS ON A RURAL PROPERTY

DATE:	28 February 2019
SUBJECT:	Request to keep five dogs
PROPONENT:	Laurel Whitwell
LOCATION:	415 Meckering Road, Goomalling
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	50
ASSESSMENT NO:	A485

PURPOSE

To consider a report from Council’s contract Ranger regarding a request from Laurel Whitwell to keep five dogs on a rural property.

BACKGROUND

On 31 October 2018 Laurel Whitwell made application to keep 5 dogs at her property at 415 Meckering Road Goomalling. Ms Whitwell is currently holding five dogs at the residence ranging from 8.5 years to 6 months in age.

Council’s Contract Ranger attended the property. The latest puppy, a Shepherd X, was a stray picked up by the police as a day old pup and was taken in by Ms Whitwell.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

There is no specific policy relating to this matter.

FINANCIAL IMPLICATIONS

Nil.

STRATEGIC IMPLICATIONS

This matter is not directly dealt with within the Community Strategic Plan

ATTACHMENTS

M) copy of the Ranger's Report

OFFICER COMMENT

The Ranger inspected the property on 24th January 2019 and found that the dog yard was in a rundown state and that the pens were made of steel sheeting with dirt floors and would be very hot in summer for the animals.

The conditions in general were barely adequate but for the basis of the current act it would pass the requirements. Given that there will soon be new requirements and updated regulations, it would be prudent to require that the owner submit to six monthly inspections to ensure that the property complies with these changes.

VOTING REQUIREMENT

Simple Majority.

RECOMMENDATION

That the Council:

Grant approval for Ms Laurel Whitwell to keep 5 dogs at the property at 415 Meckering Road on the condition that the property is subject to six monthly inspections and that the property complies with all requirements of current and future animal welfare legislation or the Dog Act, as is relevant, at the time of those inspections.

9.10 REQUEST FOR COMMENT – WA PLANNING COMMISSION

DATE:	28 February 2019
SUBJECT:	Request for Comment – WA Planning Commission
PROPONENT:	L & C Bowen & A Haddrill
LOCATION:	Lots 1, 102, 1780 & 995 Haddrill Road
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	N/A
ASSESSMENT NO:	A1247 & A1335

PURPOSE

To consider a request for comment from the WA Planning Commission regarding the subdivision of the above lots.

BACKGROUND

Council has received a request from the WA Planning Commission with regard to the proposed subdivision of the above 4 lots. The proposal seeks to make three lots from the original four and does not seek to create any new or small lots.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

There is no specific policy relating to this matter.

FINANCIAL IMPLICATIONS

Nil.

STRATEGIC IMPLICATIONS

This matter is not directly dealt with within the Community Strategic Plan

ATTACHMENTS

N) Correspondence from the WA Planning Commission

OFFICER COMMENT

As the intention is to create three lots of approximately 70ha each, I am not sure that Council would have any objections to the subdivision.

VOTING REQUIREMENT

Simple Majority.

RECOMMENDATION

That the Council:

Make no comment with regard to the proposed subdivision of Lots 1, 102, 1780 & 995 Haddrill Road as it has no objections to the proposal.

9.11 PLANNING CONSENT - CARAVAN STORAGE AREA – 14 HAYWOOD STREET

DATE:	28 February 2019
SUBJECT:	Caravan Storage Area
PROPONENT:	James Ross Trahair & Annette Trahair
LOCATION:	14 Haywood Street
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	80-6
ASSESSMENT NO:	A725

PURPOSE

To consider a proposal to use the vacant block at 14 Haywood Street as a caravan storage area.

BACKGROUND

During the latter part of 2018 Council sold the panelbeaters shop at 62 Main Street Goomalling to Mr & Mrs Trahair and the property included the vacant lot at 14 Haywood Street. Since taking over the properties the proponents have been living at the premises and are the subject of Council actions related to that situation.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

There is no specific policy relating to this matter.

FINANCIAL IMPLICATIONS

Planning fee of \$147.00 to be paid by applicant.

STRATEGIC IMPLICATIONS

This matter is not directly dealt with within the Community Strategic Plan

ATTACHMENTS

- O) Copy of the correspondence from Mr & Mrs Trahair

OFFICER COMMENT

The proponents have made an application for planning consent to conduct a caravan storage operation for up to 5 caravans at the Haywood Street site. The property is zoned “Light Industry” and permitted uses for such a site would include:

Builders Storage Yard	Car Park
Dry Cleaning Premises	Fuel Depot

And a host of other similar pursuits. These pursuits are listed as:

“...permitted, provided it complies with the relevant standards and requirements laid down in the Scheme and all conditions (if any) imposed by the council in granting planning consent.”

The Scheme does not mention Caravan Storage or Parking as a use so the Council has the opportunity to either equate the proposed use with another similar use in the zoning table or make determination as to whether the use is consistent with the objectives and purpose of the particular zone by absolute majority.

In this case it would seem that the proposal has a similar purpose to say a parking area or storage depot. The industrial zoning objectives are as follows:

INDUSTRIAL ZONES

“The objective for the zones is to provide for diverse industries to locate in a manner which will avoid detrimental impact on other uses in the Shire and achieve satisfactory standards of amenity and accessibility.

Council policies will therefore be;

- (a) Permit in the appropriate industrial zone, the establishment of uses which provide desirable and conveniently located services to the community.
- (b) Permit the establishment of noxious industries in the General Industrial zone under specific circumstances, and with appropriate environmental controls.
- (c) Require industrial premises to provide adequate and satisfactory provision of accessibility, car parking and appearance.”

VOTING REQUIREMENT

Simple Majority.

RECOMMENDATION

That the Council:

Grant Planning Consent to Mr James Ross Trahair and Mrs Annette Trahair to conduct a Caravan Storage facility for up to five caravans at 14 Haywood Street Goomalling subject to the following conditions;

- 1. The area is not to be used for repairs to the caravans;**
- 2. Any additional bays sought be the subject of a further planning application;**
- 3. The proponents must comply with any standards or regulations that apply to the pursuit set down by other jurisdictions;**
- 4. This application is valid for a period of two years and the project must be substantially completed within that timeframe otherwise a further application must be made.**

9.12 FIREWOOD COLLECTION

DATE:	28 February 2019
SUBJECT:	Collection of firewood from road verges.
PROPONENT:	Mr Marty Shortall
LOCATION:	Whole of Shire
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	N/A
ASSESSMENT NO:	N/A

PURPOSE

To consider a proposal from Mr Shortall to collect firewood from Council roadsides.

BACKGROUND

Mr Shortall has approached the CEO with a proposal for him to collect firewood from road verges within the Shire of Goomalling. Mr Shortall proposes to use some of the wood for personal use and some for sale of wood products.

The proponent holds fulltime employment with his own business interests and seeks to undertake these activities during weekends. Mr Shortall suggests that this would relieve a fire hazard for the Shire and help in tidying up the rural roads as well.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

There is no specific policy relating to this matter.

FINANCIAL IMPLICATIONS

Nil

STRATEGIC IMPLICATIONS

This matter is not directly dealt with within the Community Strategic Plan

ATTACHMENTS

- P) A copy of the correspondence from Mr Shortall.

OFFICER COMMENT

The proponent makes his case with regard to fire hazard and tidying up of our rural roads but it would be unusual for a person from outside of the Shire to show such altruistic tendencies without some sort of financial gain being involved. I would assume that there is a market for the supply of firewood which he intends to tap into. This would then become a commercial operation.

Council has the ability to offer to do this on Council controlled reserves however it is not within our power to grant permission to access on MRWA controlled roads, other reserves including crown land or where there is potential to affect flora and fauna.

VOTING REQUIREMENT

Simple Majority.

RECOMMENDATION

That the Council:

- 5. Advise Mr Shortall that it at this time Council does not support his proposal.**

9.13 OFFER TO SELL LOCATION 5390

DATE:	11 March 2019
SUBJECT:	Offer to sell property Location 5390.
PROPONENT:	Mr Brad Johnson & Mrs Jill Johnson
LOCATION:	Location 5390
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	97-6
ASSESSMENT NO:	A383

PURPOSE

To consider a proposal from Mr & Mrs Johnson to sell Location 5390 to the Council for the price of \$1.00.

BACKGROUND

Mr & Mrs Johnson have written to the Council offering to sell the above location to the Shire. The lot is located between the Uniting Anglican Church and the Konnongorong Hall on the Northam-Pithara Road.

The property has been variously used as a car parking area for both the church and the hall. The Council has used the property for tree plantings and generally the property has been integrated into the other properties for the benefit of the community.

Mr and Mrs Johnson have for many years paid rates on the property, however there is little or no benefit in them retaining the property given that Council has planted trees on the property and that it is used almost exclusively by the community rather than the owners.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

There is no specific policy relating to this matter.

FINANCIAL IMPLICATIONS

Council would be required to pay the price of \$1.00 plus settlement costs for the property. There would be a reduction in future years of about \$1,000 in rates annually.

STRATEGIC IMPLICATIONS

This matter is not directly dealt with within the Community Strategic Plan

ATTACHMENTS

Q) A copy of the correspondence from Mr & Mrs Johnson.

OFFICER COMMENT

The proponent makes his case with regard to community use aspect of the property and in all honesty, the Council has some liability for the works it has carried out on the property but essentially, because of the ongoing community use of the property there is a case for the Council to purchase the lot.

The proponent is not wanting to make profit from the sale, only to cease paying rates on a property that has become a community use property rather than a private one.

VOTING REQUIREMENT

Simple Majority.

RECOMMENDATION

That the Council:

Agree to purchase Lot 1, Location 5390, Northam-Pithara Road, Konnongorring from Mr & Mrs Johnson for the price of \$1.00 and the parties involved cover their own settlement costs.

9.14 CONTROL OF RESERVE 50871

DATE:	11 March 2019
SUBJECT:	Management of Reserve 50871
PROPONENT:	Department of Planning, Lands & Heritage
LOCATION:	Reserve 50871
AUTHOR:	Peter Bentley – Chief Executive Officer
REPORTING OFFICER:	Peter Bentley – Chief Executive Officer
FILE NO:	146
ASSESSMENT NO:	N/A

PURPOSE

To consider the question as to whether the Council will accept control of Reserve 50871.

BACKGROUND

Through the process of creating the Grange Estate sub-division a new reserve was created to facilitate the road which currently abuts the rear of lots 205 and 206. The road was constructed into the corner of lot 206 either by design or accident and this required that the reserve be created to cater for this.

The Department of Planning, Lands and Heritage has written to the Council seeking confirmation that the Council will accept control of the reserve.

STATUTORY IMPLICATIONS

Local Government Act 1995

POLICY IMPLICATIONS

There is no specific policy relating to this matter.

FINANCIAL IMPLICATIONS

Nil.

STRATEGIC IMPLICATIONS

This matter is not directly dealt with within the Community Strategic Plan

ATTACHMENTS

- R) Correspondence from Department of Planning, Lands and Heritage.

OFFICER COMMENT

The Council needs to take control of this reserve in order to maintain the road that crosses into it. The road is a council road and accordingly our responsibility.

VOTING REQUIREMENT

Simple Majority.

9.16 DEMOLITION OF RESIDENCE ON LOT 240 THROSSSELL STREET

DATE:	14 March 2019
SUBJECT:	Demolition residence Lot 240 Throssell St
PROONENT:	Shire of Goomalling
LOCATION:	Lot 240 Throssell St Reserve 50871
AUTHOR:	Linton Thomas – PEHO/Building Surveyor
REPORTING OFFICER:	Linton Thomas – PEHO/Building Surveyor
FILE NO:	80-6
ASSESSMENT NO:	A40

PURPOSE

To bring to a conclusion of the Demolition Order issued in August 2018.

BACKGROUND

On the 8th February 2018, Council issued an Unfit for Human Habitation Order on the residence located on the Lot and listed a Schedule of Repairs to be completed within 180 days, to make the building habitable.

As no repairs had been commenced Council at their August 2018 meeting issued a Demolition Order to the owners to remove the house within 30 days.

At the request of the owners, Council at their September meeting, granted an extension to the time allowed which expired on the 20 December 2018.

STATUTORY IMPLICATIONS

Health (Miscellaneous Provisions) Act 1911

POLICY IMPLICATIONS

There is no specific policy relating to this matter.

FINANCIAL IMPLICATIONS

None if cost recovery is successful.

STRATEGIC IMPLICATIONS

This matter is not directly dealt with within the Community Strategic Plan

OFFICER COMMENT

It is evident that no demolition has taken place within the times specified and Council can under Section 140 of the *Health Miscellaneous Provisions Act 1911* which states;

140. (1) Whenever any owner fails to comply with a notice served upon him under any of the foregoing provisions of this Part, within a time therein specified, he commits an offence, and the local government may carry out the terms of the notice and recover all expenses from the owner:

Provided that the local government may sell or dispose of the material taken from a demolished or amended building, but the proceeds of sale shall be applied towards the expense of carrying out the terms of the notice — the surplus (if any) to be paid to the owner.

The owners were notified of this possible action in February 2019 and no response has been received.

Furthermore, Council may wish to prosecute the owners for breaches of the Health Orders.

VOTING REQUIREMENT

Simple Majority.

RECOMMENDATION

That the Council:

Carries out the demolition of the house that has been subject to previous orders of Council, in accordance to Section 140 of the *Health (Miscellaneous Provisions) Act 1911* and recover the cost from the owners Mr Laurence Raymond Reiger and Mrs Coral Ann Reiger.

9.17 CLEAN UP OF LOT 239 THROSSELL STREET

OFFICER COMMENT

It is evident that no meaningful action has taken place within the time specified and Council can under Section 3.26 of the Local Government Act 1995, may carry out the terms of the Order.

Section 3.26 states;

3.26. Additional powers when notices given

- (1) This section applies when a notice is given under section 3.25(1).

(2) If the person who is given the notice (*notice recipient*) fails to comply with it, the local government may do anything that it considers necessary to achieve, so far as is practicable, the purpose for which the notice was given.

(3) The local government may recover the cost of anything it does under subsection (2) as a debt due from the person who failed to comply with the notice.

The owners were notified of this possible action in February 2019 and no response has been received.

Furthermore, Council may wish to prosecute the owners for breaching the Local Government Order.

VOTING REQUIREMENT

Simple Majority.

RECOMMENDATION

That the Council:

Carries out the clean-up Order that has been subject to a previous order of Council, in accordance to Section 3.26 of the *Local Government Act 1995* and recover the cost from the owners Mr Laurence Raymond Reiger and Mrs Coral Ann Reiger.

WATER SAMPLING

Sampling results of the swimming pool were excellent and the re-use scheme was within limits. I do expect the March result may be elevated in the reuse scheme due to the recent rain we have had.

DEPARTMENT OF HEALTH ENVIRONMENTAL DIRECTORATE

The Dept of Health Environmental Directorate have now moved into the Department's Royal Street headquarters in Perth city from Shenton Park where they had been for 35yrs.

The Director, Mr. Jim Dodds after 15 years has moved to Queensland Dept. of Health.

2019 NATIONAL CONSTRUCTION CODE

No new data has been issued from the Building Commission other than the 2019 National Construction Code incorporating the Building Code of Australia and the Plumbing Code of Australia comes into effect in May 2019.

There are some changes within, particularly to the energy efficiency and bushfire provisions and there is a 12 month transition period to allow for constructions planned for 2019 or they are already underway.

Information meetings will be conducted regionally, to inform builders and building surveyors next month.

SAFER COMMUNITIES FUND

A grant application (\$108,000) was submitted in September 2018 to install 14 CCTV cameras and 19 solar security lights at the Goomalling Recreation Hub to address crime, antisocial behaviour and overall safety of the precinct.

The project encompasses the installation of a comprehensive CCTV camera network including cameras located at the gym, hockey shed, town hall, tennis complex and sport and community centre. Lighting infrastructure will be free-standing with no wiring and operating completing with solar and lithium ion batteries, its coverage includes the parking areas next to the bowling green, visitors' change rooms, hockey shed, tennis complex and the boundary of the recreation ground for lighting of the footpath on Hoddy Street.

The total cost of the project is \$108,000 as doesn't require co-contribution from Council (100% funded).

Our application was successful and the project will commence once the financial assistance agreement has been executed. Installation of CCTV will be completed before June 30 and lighting installation will commence in July 2019.

Refer to attachments W, X & Y for more information.

BUILDING BETTER REGIONS FUND (BBRF) – PIONEERS' PATHWAY

Shire of Goomalling submitted an application on behalf of the Pioneers' Pathway in the BBRF (\$20,000) to erect new wayfinding signage and site signage across the seven (7) participating communities to enhance the pathway.

The application was successful with works to be carried out over the next year.

Council will also continue to develop and refine its interpretation plan for the Slater Homestead (in conjunction with the Slater Homestead Group) to submit a joint application to Lotterywest to create a more engaging experience for visitors.

EMERGENCY FOOD RELIEF

The Catholic Presbytery provide benevolent services including basic food for people in need. There is a growing need for donations with the escalation of food prices and lack of transportation options to gain access to affordable food. This affects low socio-economic families, indigenous families and elderly people.

St Vincent DePaul has indicated that they'll support the supply of emergency relief to the people of Goomalling. We are currently working through food supply logistics and consideration of the best location to provide food relief.

The Friendship Network (only other user as the CWA is in recess) supports the use of the CWA building to provide storage and access to food. This has been identified as the most suitable location because it is alarmed and it has adequate space for storage and a separate consultation room.

Partnering with Vinnies means there is a high level of reporting required, including completion of "conference visitation report" to collect data about the usage of the services.

Council support for the initiative will include:

1. Assistance with logistics and coordination of food pick-up
2. Staff for food distribution, 2 hours once a fortnight
3. In-kind use of CWA Building

BLUE TREE PROJECT

The Blue Tree Project was created in the Wheatbelt town of Mukinbudin, it began as a tool for healing when a mate took his own life and is now a symbol of hope for people with mental health. BTP is encouraging communities to participate in the project to initiate conversation that #itsoktonotbeok and sending poignant message to raise awareness about mental wellbeing and generate change in an overwhelmed health system.

The project has become a wide spread story of hope with families and communities painting dead trees blue across Australia and the seas.

For more information visit: <https://www.bluetreeproject.com.au/our-story>

We have identified two possible trees to carry out the project in our community:

1. Located on the road reserve 9.2km from the townsite on Northam-Pithara Rd (near Burabadji East Rd) – Would need to be painted from inside the adjacent property and traffic management would be required due to the branch stretching over the road.
2. Located in nature reserve 2km from town site near Wongan Hills turn off.

YOUTH

We are investigating art based projects for youth to participate in, learn new skills and feel like valued members of the community. The concept of creating an art piece on a Council building is to improve the aesthetics whilst serving the purpose of engaging young people, for that reason we've identified two possible locations:

1. Shire administration building - mosaic installation on the front board depicting an agricultural landscape and community. Our preferred artist is Workshed Mosaics, who have extensive experience facilitating workshops and commissioning large and intricate mosaics.

2. Town Hall – Rear wall behind the stage – mixed medium mural, realism and abstract.
Our preferred artist is Jerome Davenport, you can view his work here:

Both projects we would be sourcing funding for and would try to limit Council's contribution to in-kind by the way of staff labour.

We are seeking feedback from Council about possible use of Council buildings to carry out project.

RECONCILIATION & NAIDOC WEEK

Reconciliation Week is 27 May finishing 3 June (Mabo Day) and 7-14 July 2019. Discussion will take place with our local indigenous community about small community event to improve cultural awareness and allow Aboriginal culture to be celebrated in our community.

We have been looking at the possibility of working with the schools and arts to have small workshops, Urban Indigenous is one of the organisations we're looking at.

Funding will be sought to carry out the project.
