SHIRE OF GOOMALLING *EDITION 2026-23* *20-11-2026*

Running for a Cause:
David Watson's Road to the Sydney Marathon 2027

For David Watson, better known as Watto, securing a successful ballot entry into the Sydney Marathon 2027 is about far more than running 42.2 kilometres. It represents the next chapter in a personal journey shaped by loss, determination, and a commitment to building a healthier future.

David is using his marathon campaign to raise funds for the Harry Perkins Institute of Medical Research, a cause that carries deep personal significance. After losing both his father and his best mate to cancer, he made a conscious decision to take control of his own health and wellbeing rather than take it for granted.

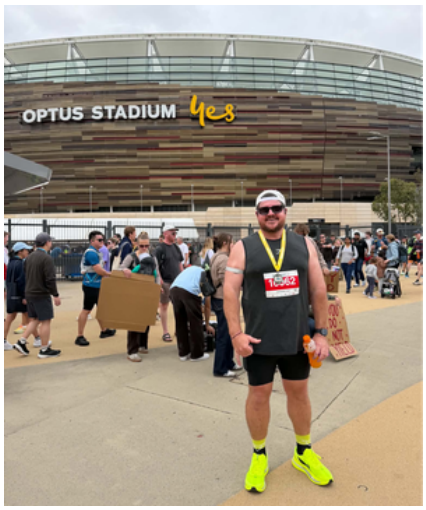

A husband, father and truck driver, David's fitness journey began with little knowledge of exercise, nutrition, or training. Recognising that change was needed, he stepped into a gym and began learning from the ground up. What started as a simple commitment to improve his health has since grown into a lifestyle transformation.

Over time, David has lost weight, built strength, improved his confidence, and developed a genuine passion for fitness. His focus has never been on perfection, but on making consistent progress, a philosophy reflected in his social media platform, @progressnotperfect_au, where he shares the realities of his journey with honesty and authenticity.

More recently, David added running to his fitness routine. While the sport has tested him physically and mentally, it has also become one of the most rewarding aspects of his health journey. Each run has helped build resilience, discipline, and belief in what is possible through persistence.

A recent highlight was completing the 10-kilometre event at the Perth Running Festival, an achievement that marked another important milestone on his path towards longer-distance running.

Now, with a coveted place secured in the Sydney Marathon 2027, David is setting his sights on his biggest challenge yet. As he prepares for the event, he hopes to honour the memory of those he has lost while raising valuable funds to support life-changing medical research into cancer.

His story is a reminder that meaningful change does not require perfect conditions or expert knowledge from the outset. Sometimes it begins with a single decision to start, followed by the determination to keep moving forward.

Through every training session, every kilometre and every fundraising effort, David continues to embody the message behind his platform: progress, not perfection.

To follow David's journey and support his fundraising efforts for the Harry Perkins Institute of Medical Research, visit @progressnotperfect_au and join him as he works towards the start line of the Sydney Marathon 2027.

Remembrance Day 2026

The Jennacubbine Progress Association hosted an evening Remembrance Day service at the Jennacubbine War Memorial at 6pm on Wednesday, 11th November.

A small gathering of people attended and showed their respect to those who paid the ultimate sacrifice and those who bear the scars of war.

The service was led by Danny Jeffery who acknowledged traditional owners and introduced the service with a history of how Remembrance Day came into being.

Cathie Bowen delivered a speech about The Jennacubbine Mounted Rifles in World War 1 and Danny concluded the service with an address of the 60-year anniversary of Long Tan.

After the service we then met at the Jennacubbine Tavern for a meal and catch up.
Thank you to those who were able to give up time in their day to attend in remembrance.
Thank you to all the JPA members who give up their time in preparing the war memorial site, service format, music, readings and support.

Remembrance Day Goomalling

On a windy and fine day, Goomalling celebrated REMEMBRANCE DAY. Many thanks to the Shire for cleaning up the Memorial grounds, delivering the table and chairs.

Both schools read their briefs well and clear. Their behaviour was very respectful. 12 students from each school was there along with their teachers .

The wind put off some of the seniors, but still had about 16 adults. Fr Daniel said a prayer, then Keith gave a short address.

He then said the ODE, then carried on with the laying of wreaths, then the service.

Shire President, Julie Chester then spoke a few words. Keith then closed the service.

Jenna CWA Jottings

On 30th September 2026, the Mt Helena-Parkerville CWA hosted their Friendship Picnic Day at Lake Leschenaultia. A fine and windy day there. A friendly and chatty crowd of ladies.

Some of us walked around the lake, also saying hello to a snake 🐍. The guest speaker was a wonderful lady on about View Health's Chemo@Home program. A yummy M/T and everyone brought their own lunch. Jenna CWA had some luck in the raffles.

On 9th November 2026, the Jennacubbine CWA had their Nov meeting at member's Ellie Eaton's home, with more chat and coffee, after attending a wonderful morning of music and songs, at the Goomalling Town Hall, as being part of Seniors Week. Many, many thanks to the Goomalling CRC for hosting the morning, then a very yummy lunch. A very happy and chatty crowd. Julie Gardner, guest singer has a very easy and natural voice. We were all able to join in singing along the songs.

🌿🎸 GILLY ON THE GREEN 🎸🌿

It's time for a great night of live music at the Goomalling Farmers Club!
Join us on **Saturday 28th November from 7pm** as we welcome **Darren Gillis, featuring Jack Dudek**, for an evening of fantastic entertainment.

We're planning an outdoor event (weather permitting), so grab your friends, bring along a chair or picnic mat and settle in for a great night under the stars!

🌭 Sausage sizzle available for a fee.
🍻 Drinks available at the club.
🎶 Live music and good company!

Everyone welcome – let's get together and make a night of it!

Containers for Change, the Goomalling Op Shop, and the Community Garden brought their flair to the event, setting up information and display tables that captured everyone's attention.

To mark the exciting 20th birthday of the Goomalling Community Op Shop, the Shire threw a sausage sizzle, complete with delicious cake to sweeten the celebration.

Attendees also got involved in a dynamic review session of the draft Regional Recycling Guide, diving into the details to ensure all information was spot-on before giving it the final seal of approval.

Discussions about future projects generated excitement, as attendees shared ideas on initiatives that could further enhance the community's sustainability efforts.

Thank you to Jason Haywood for the recent donation of a 32 volt DC electrical switchboard. These were used, prior to mains power, in combination with a fuel driven generator to provide power to houses and sheds. They could also have batteries attached which provided ongoing power when the generator was turned off.
The switchboard will be added to the collection in the machinery shed.

From the archives…..

In 1981 Mr George Sheen set up a display of windmill heads in the machinery shed. Accompanying plates showing the make and year were added, thanks to a grant from Lotterywest

Mr Sheen maintained the heads in working order when he was volunteering at the museum.
