# Young People Lead the Charge in Designing Goomalling's New Youth Space

The Shire of Goomalling has taken an important step forward in the development of its Recreation Master Plan, hosting a dedicated Youth Consultation Workshop at the Goomalling Town Hall on 16 April 2026.

Twenty young people aged 12–17 participated in the workshop, providing valuable insight into what they believe a future youth space should include. Their enthusiasm and thoughtful contributions demonstrated a strong desire to be actively involved in shaping community facilities that reflect their needs.

During the session, participants reviewed the 2017 concept plan and assessed its relevance today. They then contributed new ideas by adding their vision to the “Dream Wall” and voting on the elements they felt were most important for a modern youth precinct. The top priorities identified were a basketball court, skatepark, and youth chill space.

In a significant show of civic engagement, twelve young people also volunteered to join a future focus group that will work directly with architects and design professionals during the detailed planning phase.

Six Shire Councillors attended the workshop, observing firsthand the passion, creativity, and commitment of local young people. Their involvement reinforced the message that youth voices are present, active, and deserving of meaningful consideration in community planning.

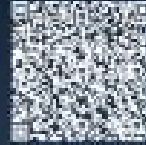

The Department of Lands, Planning and Heritage is currently assessing the proposed road closure and rezoning required to incorporate the youth space into the Goomalling Recreation Ground. Once approvals are finalised, the Shire will progress to detailed planning for the youth precinct, as well as revised entry and exit points and parking arrangements for the Goomalling Recreation Ground and Gumnuts Early Learning Centre, which will be affected by the road closure.

The Shire extends its thanks to all young participants for their leadership and looks forward to continuing this collaborative approach as planning advances.

# Goomalling Community Op Shop Shines in Statewide Media and Continues Giving Back

The Goomalling Community Op Shop has had an exciting start to the year, with a wave of new visitors and growing recognition for the incredible work our volunteers do.

Recently, the Op Shop was featured in the RAC Horizon Magazine, and since the article was published, an estimated 40–50 travellers have stopped in specifically because they read about us. It's been wonderful welcoming so many new faces to town. We're also thrilled to share that Farm Weekly will be featuring the store in an upcoming edition, further highlighting the positive impact of community-led recycling and reuse.

As part of our ongoing commitment to reducing waste, the Op Shop will soon be installing a sea container to support the collection of textiles for recycling. These materials will be processed through the Perth Community Clothing Recycling Wholesaler (PCCRW), helping us divert even more resources from landfill.

## Celebrating 20 Years of Community Impact

In 2026, the Goomalling Community Op Shop will celebrate 20 years of service—two decades of keeping usable goods out of landfill and reinvesting profits back into the community. We'll be marking this milestone later in the year, but our volunteers have already pledged an extraordinary \$20,000 birthday gift to initiatives, including:

- \$5,000 to the Goomalling Gym
- \$5,000 to the Goomalling Men's Shed
- \$10,000 towards the development of the skatepark/youth space

This generosity reflects the true heart of the Op Shop: community supporting community, bringing the total reinvested back into local initiatives to an impressive \$150,000.

## Activate Goomalling Round 9 Grants

Through the Op Shop's Activate Goomalling grants program, Round 9 has provided further support to local organisations:

- Goomalling Men's Shed – \$2,000 for storage equipment
- Goomalling St John Ambulance – \$1,207.23 for essential equipment
- Goomalling Farmers Club – \$2,000 for a laptop and software for administrative needs
- Goomalling Community Resource Centre – \$2,000 for an event planned for October

These grants continue the Op Shop's long tradition of reinvesting proceeds into projects that strengthen and enrich our community.

The Goomalling Community Op Shop extends a heartfelt thank-you to our volunteers, donors, customers, and the wider community. Your support ensures that this small but mighty organisation continues to make a big difference — environmentally, socially, and locally.

Experience Not Necessary, just a happy, outgoing personality, reasonably fit.

You will be part of one of WA's Best and Biggest Country Festivals

survivors in your local area who  
may be eligible to apply?**

The Territories Stolen Generations Redress Scheme is here to support Aboriginal and Torres Strait Islander people who were forcibly removed from their families or communities when they were children.

**Local councils play an important role in connecting with a wide range of community members through centres, libraries, newsletters, noticeboards, and other public-facing spaces. This makes you well placed to help raise awareness of the Scheme among people who may be eligible.**

The resources below are designed to support your staff and community teams with clear, accessible information about the Scheme. We encourage you to share these materials through your community-facing channels — whether that's printed resources in local facilities, updates in newsletters, or social posts — so that residents, families, and community groups can learn more about the Scheme and how to apply.
