We celebrate Claire Dadd, a long-standing and deeply respected volunteer, who has been named a finalist for St John WA's prestigious Walk the Talk Award!

Claire's dedication goes far beyond her volunteer role in Goomalling. She's also a vital part of our Wheatbelt Office team, where she tirelessly supports volunteers across the entire St John WA Wheatbelt division—day in, day out.

Her wealth of knowledge, unwavering support, and genuine care have been the backbone of our operations for years. We've always known how extraordinary she is, and now the wider community does too.

👏 *Congratulations, Claire—your recognition is so well deserved!*

2025 Local Government Elections

Local government elections in Western Australia will take place on Saturday 18 October 2025.

Local government elections are usually conducted by post, however a small number of local councils request to hold an in-person election. Local councils who will be holding an in-person election will be available here soon.

Key dates

Enrolment – Check, update or enrol to vote by 5pm 22 August 2025

Nominations Open – 28 August 2025

Close of nominations - 4pm 4 September 2025

Postal elections – Elections packages (including ballot papers, candidate information and how-to-vote information) will be sent out in September 2025

In person elections - Vote in person on election day, vote early or apply for a postal vote from your local government (councils holding an in-person election will be available here at the end of July)

Enrol to vote

All eligible electors must enrol to vote. When you enrol to vote, you are enrolled for Commonwealth, State and local government elections. You can check your enrolment, check your details or update your enrolment online. at <https://www.elections.wa.gov.au>.

This is important if you have:

- moved house
- changed your name
- turned 18 recently
- become an Australian citizen
- not yet joined the electoral roll or
- want to check or update your enrolment details

How to vote

Optional preferential voting is the voting system used in Local government elections. This means you have the choice to number the candidates in the order of your preference. You do not have to number all the boxes if you don't want to.

You have the choice to:

vote for one candidate - by putting a 1 next to their name

vote for some candidates - by numbering several candidates in the order of your preference

vote for all candidates - in the order of your preference

Who can vote

Residents

All residents in a local government district who are enrolled on the State electoral roll are automatically enrolled on the corresponding local government roll. You must make sure you are correctly enrolled, and your details are up to date by 5pm 22 August to vote in the Local government elections.

Owners and Occupiers

People who own or occupy rateable property within a local government district, can apply to their local government to be included on the roll as an owner/occupier, as long as they are eligible electors.

2025 Local Government Elections Candidate Webinar

The logo for WALGA (Western Australian Local Government Association) is centered within a dark teal horizontal band. It features a stylized white mountain peak or 'W' shape above the word 'WALGA' in a white, sans-serif, all-caps font.

The webinar will be held at 6:00pm on Monday, 18 August 2025.

This session is designed to support individuals considering nominating, providing an overview of:

- Election processes
- Responsibilities of Local Government and Council Members
- Regulatory role of LGIRS
-

The following presenters will cover a range of topics, with the aim of preparing candidates for the electoral process, and if elected, life as a Council Member:

- Karen Chappel AM JP, President, WALGA.
- Dennis O'Reilly, Acting WA Electoral Commissioner & Phillip Richards, Manager of Election Events.
- Erin Gauntlett - LGIRS Deputy Director General
- Tony Brown, Executive Director Member Services, WALGA
-

Ever wondered what skills and characteristics are required to be a St John Ambulance Officer?

Apart from attending emergency and non-emergency ambulance jobs, our Ambulance Officers also get to provide first aid services at public events. And to keep their skills up to date, we provide ongoing training so they can stay confident in the moment. Our Ambulance Officers commit to 60 hours annually.

Typically, potential volunteers are interested in clinical and community based volunteer work. That's what brings them to us. If over the age of 18 and in possession of an unencumbered Australian driver's licence (no Probationary or Learner drivers, and no more than 7 demerit points), anyone can volunteer.

While our volunteers can easily work solo, they're also very much a part of a team, each of them trained and able to perform CPR.

If this sounds like you, then what are you waiting for!?
