

FAMILY DAY GOOMALLING

Family Day Goomalling was a wonderful afternoon, with a great turnout of families and community members coming together to enjoy the sunshine, entertainment and relaxed atmosphere at Anstey Park.

The perfect weather set the scene for a fantastic community event, with plenty of smiles, laughter and opportunities for families to connect. Live music by former local police officer Darren Gillis was a highlight, providing a great soundtrack to the afternoon.

The ice cream van proved to be a huge hit, with plenty of eager customers enjoying a cool treat, while the visiting animal farm delighted younger attendees, who loved the opportunity to cuddle and interact with the friendly animals. The face painter was also kept busy, adding a splash of colour and creativity to the afternoon as children proudly showed off their colourful designs.

With free food, entertainment and activities for all ages, the afternoon was a wonderful celebration of community spirit in Goomalling.

Events like these would not be possible without the dedication of those who get behind our community, and the wonderful turnout reflects how much these opportunities to come together are valued. Thank you to everyone who attended, supported the event and helped make Family Day Goomalling such a memorable afternoon for local families.

This publication has been prepared and published by the Shire of Goomalling. Its purpose is to keep the Community and visitors informed of local events and activities. Publications will be issued fortnightly on a Friday and will be made available electronically via Shire website and links on our facebook page. Hard copies will be made available at Goomalling Post Office, The Village Grocer and Dunnings Roadhouse. **We welcome contributions from Community and Sporting Groups of 'goings on' in the Shire of Goomalling.** Shire of Goomalling will continue to publish the newsletter G'Day Goomalling on a quarterly basis.

Shire of Goomalling ANNUAL BULK WASTE VERGE COLLECTION

Monday 26th October 2026
GENERAL WASTE

- Metals and white goods (fridges, stoves, electrical items)
- Bulk general waste
- Old furniture
- Mattresses
- TV screens, computer equipment

The following will not be collected

- Green waste
- Food waste
- Car bodies, vehicle parts, batteries, tyres, paint, chemicals or gas bottles
- Brick, sand, cement or building rubble
- Asbestos or super six products

Guidelines

- Only rubbish **on the verge** will be collected. Our staff will not be entering your property.
- Place your waste neatly on your own verge prior to the collection date.
- Keep an eye on your waste pile as it remains your responsibility.
- Please have your waste on the verge **by 7am** the day of collection.
- Please do not put waste out longer than 3 days prior to collection date.
- Any waste that is too good for landfill will be given to the Goomalling Tip Shop for repurposing. Please leave these in a separate pile.
- No tyres, Chemicals or Hazardous goods will be collected.

Shire of Goomalling

GOOMALLING WAR MEMORIAL SWIMMING POOL

SEASON OPENING

2ND NOVEMBER 2026

Due to the various generous donations from several community groups, local businesses and individuals, we are able to offer free entry to all patrons at the Goomalling War Memorial Swimming Pool over the 2026-2027 season.

Thank you to Jenni Shaw at Goomalling Farmshed for organising the bulk of donations.

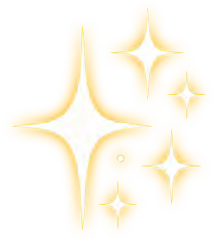

Volunteer group GO Service Recycling (GOSAR), has donated \$3,000 thanks to the community & caravan park guests donating cans, scrap metal and batteries.
Thank you!

Bendigo Bank, Goomalling Post Office, Afgri Wongan Hills, Wulff Plumbing, S & J Chester, Leeming Farms, Goomalling CRC, The Rural Movement, Darren & Leslie West, Barb Piercey & Graham Lee and Anon have also made generous donations towards Free Pool Entries this year.

Thank you! Please support these local businesses and GOSAR in appreciation.

GOOMALLING DANCERS SHINE

AT TELETHON 2026

What an amazing experience for Evie Thomson & Mahli Wilkes to perform with the Toodyay Ballet School at Telethon 2026!

After months of preparation and practice, the girls absolutely shone on stage, making the most of this wonderful opportunity.

Bonnie Ross's incredible choreography captivated the audience, and together, all the dancers looked amazing and delivered a performance they can be extremely proud of at such a special event on the WA calendar. Even better, they were part of Telethon's record-breaking fundraising effort, which raised over \$100 million for the first time.

Such a magical experience and a memory they'll cherish forever. A massive thank you to everyone who donated towards the TBS Telethon fundraising, and to those who gave up their Sunday morning sleep-ins to watch!

WELCOME TO OUR NEWEST CITIZENS

On 21 October 2026, the Shire of Goomalling had the distinct pleasure of warmly welcoming new Australian citizens Megan Constantini and Regina Bauer.

Megan and Regina have chosen to embrace Australia, and more specifically Goomalling, as their cherished home. Their heartfelt decision to settle in this vibrant community reflects the welcoming spirit and rich culture that Goomalling embodies.

With unique talents and perspectives, Megan and Regina are poised to weave their contributions into the local tapestry. As fresh faces in our community, they are enthusiastic about engaging in local initiatives, partaking in community events, and nurturing enduring friendships.

We eagerly anticipate the positive influence they will bring and encourage everyone to extend a heartfelt welcome to our new citizens. Let us celebrate their journey and the diverse experiences they contribute, which enhance the strength and vibrancy of our beloved Goomalling.

Wundowie's St John WA WUNDOWIE CHRISTMAS GIVING TREE RETURNS FOR 2026

Hundreds of gifts. Years of generosity.
One incredible community. ♥

Year after year, our Wundowie community has shown just how big its heart really is. Thanks to the incredible generosity of local families, businesses and surrounding towns, we've collected and donated **hundreds of toys and gifts** to help bring Christmas joy to children and families doing it tough. This year, let's make it even more special!

TOY & GIFT DONATIONS
We're collecting **NEW, UNWRAPPED TOYS AND GIFTS FOR CHILDREN OF ALL AGES**, from babies and toddlers right through to teenagers.
Please don't forget our older kids and teenagers. They deserve a little Christmas magic too!

DROP OFF AT ST JOHN WA WUNDOWIE SUBCENTRE
Tuesdays and Thursdays, 8am - 4pm

CAN'T MAKE IT TO US?
Our volunteer Bel is happy to arrange collections from Midland through to Chidlow during the week, and around Wundowie, Bakers Hill and Northam on weekends by prior appointment. If you're in Woodroffe, Gidgegarrup or surrounding areas, please get in touch to discuss collection options.

CHRISTMAS RAFFLE - SUPPORT OUR YOUTH ACADEMY
Win over \$150 worth of Christmas tree decorations, generously donated by our volunteer Bel.
Tickets: \$10 each | Drawn: 23 December 2026
All proceeds will help our St John WA Wundowie Youth Academy members attend upcoming camps.

Wundowie A LITTLE TOWN WITH A BIG HEART

TO OUR LOCAL BUSINESSES, FAMILIES AND SURROUNDING COMMUNITIES
Whether you can donate a toy, organise a workplace collection, encourage your customers to get involved or simply share our post, every little bit helps. No donation is too small, and every act of kindness counts.

Together, let's make Christmas 2026 our most special one yet! ♥

Community helping community
Supporting our youth.
That's the Wundowie spirit.

GO CIRCULAR BE A GREAT SORT -

KIDS DISCOVER THE WONDERS OF COMPOSTING AND RECYCLING

Fifteen enthusiastic children aged 3 to 8 years took part in a fun-filled Waste Sorted Kids program on 20 October, completing three interactive workshops designed to inspire environmental awareness through hands-on learning, facilitated by Little Green Steps WA.

The day began with the popular Compost Creatures workshop, where children became junior scientists as they explored compost to discover the tiny creatures responsible for creating healthy soil. Armed with magnifying glasses and an iPad-connected microscope, participants carefully searched through compost to observe worms, mites and other beneficial organisms up close.

To complement their investigations, the children enjoyed story time featuring books about recycling, soil-dwelling creatures and the much-loved Compost Stew. They learned that successful composting requires a balance of green materials, which provide nitrogen, and brown materials, which provide carbon. Through engaging discussions and activities, they discovered the importance of layering greens and browns, along with adding water to keep the compost moist and healthy.

A highlight of the workshop was creating their own compost-in-a-bottle project. Each child carefully layered compost ingredients into a clear bottle, creating a miniature compost system they can observe over the coming month as the materials gradually break down into nutrient-rich compost.

The final workshop focused on recycling right, with children learning how to correctly sort waste into different streams including general waste, recycling, compost and Containers for Change. Along the way, there were a few surprises for the adults as well. Many participants were interested to learn that takeaway coffee cups are not easily recyclable through standard kerbside recycling due to their plastic lining.

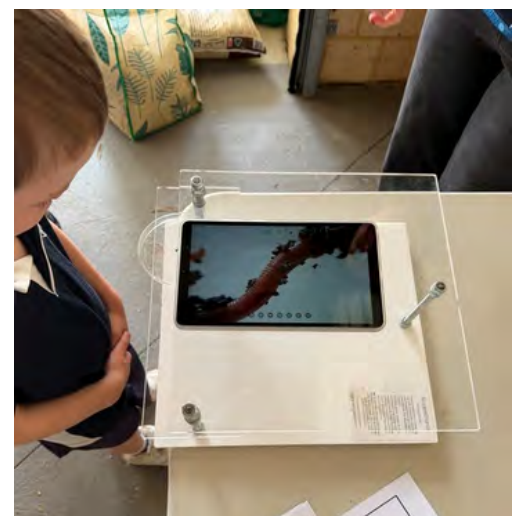

Through games and practical activities, the children demonstrated impressive knowledge as they sorted items into the correct bins and discussed ways families can reduce waste at home. To finish the day, the young environmental champions put their creativity to work by upcycling promotional bookmarks and scrap paper into personalised bookmarks, giving new life to materials that may otherwise have been discarded.

The Waste Sorted Kids program provided a wonderful opportunity for children to learn about sustainability through exploration, creativity and play. It was inspiring to see such curiosity, enthusiasm and care for the environment from our youngest community members. With their new knowledge of composting, recycling and waste reduction, these children are well on their way to becoming the next generation of environmental stewards.

A special thank you to Goomalling Primary School for generously allowing the use of their undercover area for the workshops. As the activities involved hands-on compost exploration and other messy learning experiences, having access to a suitable sheltered space ensured the children could fully participate, regardless of the weather. Their support helped make the day both enjoyable and successful for all involved.

The program was funded by WasteSorted Community Education Grants.

From the Historical Societies minutes:

As the Historical Society's donated collection expanded, the members decided a shed was required. The society minutes state that the shed will cost approximately \$380 and will have a steel frame with bays approximately 15 feet apart, similar to the Shire's car port. The donation of a load of metal by Mr Bill Slater assisted in reducing costs.

The shed was constructed by the Historical Society and Lions Club in 1980.
