My Name is Casey Butt and I am currently a Councillor in the Shire of Goomalling and I would like to again contribute back to our Community and seek your support to be re-elected to represent you and your families. I am married and have 3 beautiful children and I know what a wonderful place Goomalling is to live, work and raise a family in. I have previously been a business woman in Goomalling and support my husband business which has been a family operated business since 1954 supporting schools, clubs and promoting our Community. We are forever grateful for our community support and I would like to show my appreciation in giving back to my community by being a part of our council again. I have developed a good working relationship with my fellow councillors and understand the importance of a relationship between council and the community.
