My name is Roland van Gelderen aka Rolly, I live in Goomalling with my wife Christine.

We previously owned and operated the Truck, Trailer and Machinery Repair Workshop known as Mortlock Fabrication and Repairs. The business was in Goomalling's light industrial area. I previously served as the President of the Lions Club and also as Deputy President of the Shire of Goomalling. I have been on council for the past twenty years and would love to continue for another term.

I feel I still have the experience and drive to continue to steer the Shire into an improved financial and social position. I have lived in Goomalling for the past 36 years and I intend to continue to reside here in my retirement.

I look forward to a brighter and better future for the community and the Council. I thank you for your support.
